2. Funeral or death in the family.
3. Religious holidays.

- Students who miss part of the school day due to illness must be in attendance by 10:02AM in order to participate in a contest or practice on that day.

-Absences in excess of 2 practice days may result in formation changes or cuts if the dancer is not able to demonstrate the ability to do a given routine.

- If a team member is not in school due to illness, she will not be allowed to participate in any dance activity that day.
- A team member should contact a coach via telephone or email before being absent from a practice or performance.
- When a team member is absent, it is her duty to find out what was missed and be prepared the following day.

All dance team members are required to attend all performances, games and competitions whether they perform or not. Failure to attend will result in an unexcused absence. Team members will be dismissed from the team if there are any additional unexcused absences. Unexcused absences may include, but not limited to, skipping practice, excessive tardiness, doctor appointments, studio practice, hair/beauty appointments, sporting events, vacations, family events or behavioral incidents.

If the dancer makes the decision to quit, therefore no longer be apart of the team, she will not be allowed to tryout for the team again until the next school year.

Section 8: Concerns/ Conflict

- Please go to the coaches **FIRST** with concerns! This will lead to a quicker solution. The coach can direct you to the right person if it deals with the Booster Club. Talking to other parents on what might be a half truth or rumors only creates confusion.
- Any concerns must be brought to the coaches by the dancer first. We will not respond to any parent emails/phone/text without talking to the dancer first.
- Parents must wait 24 hours to contact coach after any discrepancy.
- Coaching decisions on placements will be discussed with parents, but thoroughly discussed with dancers. Placements are not final. Every dancer has to earn her spot. A dancer's seniority or how long she has been on the team WILL NOT play a factor on if she is or is not dancing.

Section 9: Fundraising

- Each dancer is expected to take an active role in all fundraisers. Coaches are encouraged to show support but are not required to have an active role in any fundraising activity.
- The Booster Club is responsible for all fundraising activities for the dance team. The coaches are not the contact or authority on any matters.

- If a dancer has a violation, she will serve the consequences of school's policies on substance abuse

Section 11: Scholastic Eligibility

In order to participate on the South St. Paul Dance Team, each participant must make satisfactory academic progress. To be eligible for participation a student must meet a 1.70 Grade Point Average (C average) the previous 6 week marking period. A student who has failed to meet the 1.70 Grade Point Average (C average) will be placed on academic probation according to the following conditions:

1. Academic Probation
 - a. The student is permitted to practice or rehearse, and may compete or perform in a contest or performance during the period of academic probation (3 weeks).
2. Regain Eligibility or Ineligible
 - a. Following the three week period of academic probation, if a review of the student's academic performance indicates the student is performing at a satisfactory level, eligibility will be regained.

If the review indicates the student is failing to meet the 1.70 Grade Point Average (C average), he or she cannot regain eligibility or participate in games or events until the end of the 6 week grading period.

In order for a dancer to letter, a 2.50 Grade Point Average must be maintained throughout the winter season.

Minnesota Association of Dance Teams (MADT) states that All State Academic Team awards will be given to teams holding a 3.33 Grade Point Average. Senior Academic All State Awards are given to seniors holding a 3.85 Grade Point Average.

Clarification: If a student is ineligible at the end of a 6 week grading period and is still ineligible at the start of the next 6 week grading period, they do not get to go back on academic probation. A student must first regain eligibility to be eligible for academic probation.

** If a student becomes academically ineligible at the end of the school year, that student will serve the above mentioned academic probation during the first three weeks of the school year. Probation and Ineligibility do carry over from one school year to the next.

Section 12: Transportation

Participants must travel to and from out of town contests in transportation provided by the school unless prior arrangements are made by the parents or legal guardians for exceptional situations. A duplicate copy will be forwarded to the coach.

Participants will remain with their squad and under the supervision of the coach or advisor when attending away contests. Participants who do not ride on the team bus will not be allowed to participate in the contest unless there are extenuating circumstances as determined by the overseeing administration. All regular school bus rules will be followed.

Section 13: Lettering Policy

- A dancer must compete with the varsity team at least 4 times.

Sportsmanship In Action

Be Supportive of Coaches

In front of your child be supportive and positive of the coaches decisions. If you have problems with what the coach is doing, it is best to talk directly with the coach.

Teach Respect for Authority

There will be times when you disagree with a coach or official but always remember they are trying their best and are trying to be fair. Show good sportsmanship by being positive.

Let the Coach do the Coaching but you can do some of the Teaching

When your child is on the field, court or ice, let the coach do the coaching. You can teach sportsmanship and how to deal with success and failure. Develop their character and teach life skills that athletics and activities bring to the forefront.

Help your Children Learn through Failure

The way your child handles failure can help them to face the certain failures life will throw them in the future. The worst time for you as a parent to give advice is immediately after a disappointment. Let your child cope in their own way.

Get to know the Coach

Since the Coach has a powerful influence on your child, take the time to attend the preseason parent meeting and get to know the coaches' philosophy, expectations, and guidelines.

Focus on your Child as an Individual

Focus on what your child does well and where they need to improve. Encouragement is essential.

Listen to your Child, but Stay Rational

Always support and listen to your child, but remember to stay rational until you have investigated the situation.

Be Mindful of your Role as a Role Model

Take a good honest look at your actions and reactions in the athletic arena. These actions are a big cue to your child and to the others around you.

Show Unconditional Love

The most important thing...show your child you love them, win or lose.

Sportsmanship is Everyone's Responsibility

We hope you'll join us by being a good sport always!

Be Proud: Wear maroon and white to every sporting event to show support! ^[L]_[SEP]

Be Loud: Cheer loudly for the Packers and not against our opponent from beginning to end. Congratulate every routine on a job well done. ^[L]_[SEP]

Be Great: Show that we are the best fans in the state by behaving responsibly, being respectful of others, and encouraging others to do the same.

Go Packers!
