

## How can the community benefit from and support ACE?

ACE is committed to building strong partnerships with business and organizations to create enduring afterschool community centers.

Big community impact starts with supporting our smallest citizens. Partner with ACE and bring lessons to life for thousands of Texas students.

The program funding is limited to 3-5 years. As a result, ACE relies heavily on in-kind contributions, partnerships with local businesses, community-based organizations, and volunteers. YES Prep ACE needs your help to create an enduring afterschool community-based program, and all levels are welcomed. Below are some of the many types of support you can provide or roles you can fill:

- In-kind contributions
- Tutor, mentor, chaperone
- Club activity instructor
- Job shadowing opportunities
- Food/beverages
- Educational programs
- Supplies (pens, paper, equipment, backpacks, etc.)

# What is ACE?

---

Texas ACE (Afterschool Centers on Education) aims to improve academic performance/grades, school attendance, positive behavior, and student engagement by providing students with a safe place to go during non-school hours of extended learning and enrichment activities. The program serves students in Title I schools who otherwise would not have such opportunities.

Texas ACE centers around learning and encompasses so much more. Meaningful, hands-on activities bring students together to play and learn, become strong leaders, and develop skills that empower them to success in school and in life.

## Don't miss the afterschool action!

---

*For students:*

- Dance
- Homework help
- Affinity student groups
- Sports
- Art
- Music

*For families:*

- ESL
- Financial Literacy
- Crime Stoppers
- Zumba
- Cultural Celebrations

## The Results

---

Students who regularly participate in ACE experience measurable improvements overall, including:

Improved grades in English and Math

Fewer absences

Fewer disciplinary incidents

Developed better social/emotional skills

Increased grade promotion
