

# VVE Afternoon Pick Up

## Reminders:

1. Every family is issued a car tag for afternoon carline. Please make sure this sign is visible as you move through the line. This helps our line move faster and ensures the safety of our students.
2. Please move all the way up in the line and do not stop to look for or call your student. A staff member at the correct safety cone will assist you.

# VVE Morning Drop Off

## Reminders:

1. Students should be prepared to depart the vehicle with all items ready. If your child is not ready, please loop around and rejoin the car line. This helps the process continue smoothly.
2. Students should begin unloading when the car pulls into the correct space. Please do not wait for a staff member.
