A Note From the Office

Dear Prairie View Learning Community,

I just want to take a moment to welcome you back to school for the 2021-2022 school year! I hope everyone had an enjoyable and safe summer break. We are pleased to welcome returning and new families this school year. Although it is not the typical start to school due to COVID and the necessary changes, we are excited to get going! I want to assure you that we have continued many of the precautionary measures we had in place last year to create a safe learning environment for your children. We were successful in staying open all last year and are confident we can do it again this year!

It will be so nice to have all our students here with us at Prairie View. This is the first year since I have been the principal here that we have no shuttle busses running our students to other schools! With the opening of Skyline Elementary and the change in boundaries that occurred last year, we have room for ALL our neighborhood students and even a little room to grow! How exciting to be able to welcome new families in and know they are staying with us!

Another newsletter will be coming out next week with more information regarding morning drop-off routines, class line-up areas and other helpful first day basics.

I look forward to seeing all your children back at school and continuing those precious relationships with both them and your entire family. See you soon!

Irene Gonzales
Principal
Prairie View Elementary

Meet, Greet & A Treat

Due to current health conditions in our community and out of an abundance of caution for the health and safety of our students, staff and community we are unable to hold a Meet, Greet and a Treat event this year.

How will you be notified of your child's teacher???

We will be sending an email out to all our families that will contain their class assignment on the afternoon of September 2nd. If you do not receive this email by 6pm on September 2nd, please call our office on Friday, September 3rd to confirm we have the correct email on file and to inquire who your child's teacher will be.

Our kindergarten teachers will also be making calls home to introduce themselves and help schedule a kindergarten conference during those first 3 days that our kinders do not come to school (Sept 7-9).
