### A Note From the Office

Dear Prairie View Families,

We are another week closer to the start of school and I am SO excited! I cannot wait to see all our students back in the hallways, bringing life to this very quiet building.

As many of you may have seen, we are having our roof replaced right now. We are hoping this will help bring an end to the famous Prairie View icicles we have every winter! The workers are on schedule and things should be wrapped up before the first day of school.

I look forward to greeting your children once school starts. Enjoy the last few days of summer!

Warmly,  
Irene Gonzales, Principal

### Register to Ride

School is right around the corner!! Transportation is currently working on bus registration and routing for the upcoming year. We are asking that all families who will have a child ride the bus, fill out this registration form [HERE](#). This must be done BEFORE your child is allowed to get on the bus! It is important we have accurate information on file to provide reliable transportation services for our students!
