RESPONSIBILITIES REQUIRED FOR A STUDENT TO MAINTAIN AN RHS PARKING PERMIT:

Parking for students is at a premium at Radnor High School. Permits are available to Seniors through a random lottery, as there are a limited number of spots. Student parking regulations for the 2022-2023 school year are as follows:

1. If selected, permits may be purchased for \$75.00 (\$37.50 per student for sharing and semester option) in the Main Office after completing the necessary paperwork. Spaces are limited. The parking permit must be hanging from the rear view mirror at all times while the vehicle is on campus.
2. Parking is permitted only in the numbered spaces. There will be no parking permitted outside of these lots (ex - in fire lanes, visitor, staff, administrative, any parallel parking spaces, etc.) at any time.
3. Students who violate parking regulations will be subject to disciplinary consequences.
4. Only the Radnor High School registered driver may operate his/her vehicle while on campus during school hours.
5. The speed limit on campus is fifteen (15) mph and all traffic signs must be obeyed.
