Vision and Mission

Vision

Preparing each student to succeed in their future and be college and career ready upon graduation.

Mission

As an independent study/virtual program, Tracy Charter School utilizes a standards-based education that addresses individual differences and learning styles and provides students the opportunity to select customized pathways.

Whom the Charter School is Attempting to Educate

Tracy Charter is open to students in grades K-12 and is nonsectarian in its programs, admissions policies, employment practices, and all other operations. Tracy Charter School targets and intends to educate students seeking a non-traditional educational setting. Tracy Charter serves two distinct populations through an independent study approach and virtual academy in the Calaveras, Amador, Sacramento, Contra Costa, Alameda, Stanislaus, and San Joaquin Counties. Tracy Charter serves students who seek an alternative educational model that provides for greater flexibility in terms of time and delivery of instruction. Students who are struggling in the traditional classroom setting, are behind academically, and would benefit from a one-on-one student to teacher ratio for academic support, credit recovery and/or skill remediation. The alternative educational program serves high school students seeking both a classroom and non-classroom-based environment that provides standards-based academic assignments to allow them to graduate from high school in a flexible learning environment. Furthermore, this program seeks to serve students who leave the district in pursuit of other alternative educational options.

Non-Discrimination and Equal Opportunity Policy

It is the policy of Tracy Charter to ensure equal educational opportunity for all students and to prohibit discrimination because of race, color, religious creed, age, sex, marital status, national origin, ancestry, or disability in employing personnel and in carrying out the educational programs and activities including, but not limited to course offerings, tests, and procedures.

Office Location and Hours

The Tracy Charter School office is located at 1904 Corral Hollow Road. Our office hours are 8:00 a.m.-4:00 p.m.

Admission Process

The Tracy Charter admission process is comprised of the following:

Completion of a student application form, comprising of basic contact information, grade level, and identification of any admission preferences (see below). The Charter School shall not request a pupil's records or require a parent, guardian, or pupil to submit the pupil's records to the Charter School before enrollment

After admission, students are required to submit an enrollment packet, which shall include the following:

- Enrollment Form
- Proof of immunization – (**Note:** Out of district we ask before enrolling them at Tracy Charter, but if they are in the Tracy District we verify once we get their cumulative folder)
- Proof of withdrawal from previous school (if applicable)
- Home Language Survey – (**Note:** I have not been asking parents for this.)
- Completion of emergency medical information form – When they complete the data confirmation.
- Proof of minimum age requirements – (**Note:** When we receive their cumulative folder or if they are new to the district.)
- Release of records – (**Note:** Once they are students of the Tracy Charter, we request their cumulative folder.)

Public Random Drawing

Applications will be accepted during a publicly advertised open application period each year for enrollment in the following school year. Following the open enrollment period each year, applications shall be counted to determine whether any grade level has received more applications than availability. If this happens, Tracy Charter will hold a public random drawing to determine admission for the impacted grade level, apart from existing students, who are guaranteed enrollment in the following school year.

Admission preferences in the case of a public random drawing shall be given to the following students in the following order:

1. Siblings of students admitted to or attending Tracy Charter
2. Children of Tracy Charter teachers and staff
3. Residents of the District
4. All other students

The Charter School and the District agree to adhere to the requirements related to admission preferences as set forth in Education Code Section 47605(d)(2)(B)(i)-(iv).

Public random drawing rules, deadlines, dates, and times will be communicated in the application form and on Tracy Charter's website.

Public Random Drawing Procedures

The Board of Education will make all necessary efforts to ensure lottery procedures are fairly executed. Lottery spaces are pulled in order of grade level by the designated lottery official (appointed by the Principal). Separate lotteries shall be conducted for each grade in which there are fewer vacancies than pupils interested in attending. All lotteries shall take place on the same day in one location. Lotteries will be conducted in ascending order beginning with the lowest applicable grade level. There is no weighted priority assigned to the preference categories; rather, within each grade level, students will be drawn from pools beginning with all applicants who qualify for the first preference category and shall continue with that preference category until all vacancies within that grade level have been filled. If there are more students in a preference category than there are spaces available, a random drawing will be held from within that preference category until all available spaces are filled. If all students from the preference category have been selected and there are remaining spaces available in that grade level, students from the second preference category will be drawn in the lottery, and the drawing shall continue until all spaces are filled and preference categories are exhausted in the order provided above.

At the conclusion of the public random drawing, all students who were not granted admission due to capacity shall be given the option to put their name on a waitlist according to their draw in the lottery. This waitlist will allow students the option of enrollment in the event of an opening during the current school year. In no circumstance will a waitlist carry over to the following school year.

Public random drawing rules, deadlines, dates, and times will be communicated in the application form and on the Charter School's website. Public notice for the date and time of the public random drawing will also be posted once the application deadline has passed. The Charter School will also inform all applicants and interested parties of the rules to be followed during the public random drawing process via mail or email at least two weeks prior to the lottery date.

The Charter School will conduct the lottery in the spring for enrollment in fall of that year.

Academics

The school year at Tracy Charter School will be divided into two semesters for grades K-12. At the end of each semester, a transcript will be posted on Aeries. Student progress will be reported daily/weekly within the online Edgenuity platform. Specific dates that reflect the ending of the quarters and semesters will be noted on the annual calendar.

Learning Environment

Tracy Charter provides both an online and classroom learning environment for students. Students complete course work through the online Edgenuity platform and meet virtually or on site at the Tracy Charter campus every week with their teacher. Tracy Charter will follow the Tracy Unified School District school year calendar. Teachers will be available to meet with students beginning at 8:00 and ending at 3:30p.m. for all students.

Report Cards/Transcripts

Transcripts will be updated two times a year for grade reporting.

End of grading periods

Mid-Term	October 14

Coursework/Homework and Study Habits

Coursework/homework preparation and studying are the personal responsibility of each student. The development of good study habits is essential to the success of all students at Tracy Charter. Since learning is a continuous process it is advised that students develop a daily schedule with a consistent time allotment for each subject to be studied during the normal school week (Monday – Friday).

Contemporaneous Records of Attendance

Student attendance and engagement of on-line learning is a key to their success at Tracy Charter. Tracy Charter maintains written contemporaneous records that document all student attendance and make these records available for audit and inspection purposes. Tracy Charter will keep a daily log of engagement in educational activities. This is maintained and signed contemporaneously by the certificated teacher of record. Additionally, the certificated teacher of record will document and personally judge, in each instance, the extent of the time value of the student's work products.

Academic State Testing

All 3rd, 4th, 5th, 6th, 7th, 8th, and 11th grade students at Tracy Charter will be required to participate and take the yearly state test, also known as CAASPP (California Assessment of Student Performance and Progress) testing. The state testing window is usually open from mid-February to late May. More detailed information will be communicated as the testing window approaches.

High School Course Requirements

Subject	Credits	Subject	Credits
Science	30	English	40
Biology	10	Fine Arts	10
Chemistry	10	Math	20
Physics	10	including Algebra 1	
Social Science	30	Physical Education	20
World History	10	<i>Total Required Courses</i>	<i>150</i>
US History	10	<i>Electives</i>	<i>70</i>

Economics	5		

Total Credits Required to graduate is 220 Credits

****1 Semester of study = 5 credits***

A diploma is granted to students who pass the minimum course requirements, complete Algebra 1, and 220 credits.

Algebra 1 Requirement: Tracy Unified School District policy states that two (2) years of math are needed to graduate from our comprehensive high schools.

In 2001, the California legislature changed the high school graduation requirement for all schools in California.

Education Code (Section 51224.5) states: “at least one course, or a combination of the two courses in mathematics required to be completed pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 51225.3 by pupils while in grades 9 to 12, inclusive, prior to receiving a diploma of graduation from high school, shall meet or exceed the rigor of the content standard for Algebra I, as adopted by the State Board of Education pursuant to Section 60605.”

On Track for Graduation

Being “on track” means that a student is making satisfactory progress toward earning the number of credits they will need to graduate when they become a high school senior. To be on track to graduate, students should have the following number of credits at the end of each grade level:

9th grade: 55 credits

10th grade: 110 credits

11th grade: 160 credits

12th grade: 220 credits

Class Changes

Since students select their classes during the scheduling process, there should be few justifiable reasons for seeking a course change. However, if a student and their parent believe they have an

appropriate reason to request a change of courses, they should consult with their teacher of record to discuss the concern.

College Opportunities

Community College-admission is open to California residents who have graduated from high school, have a high school equivalency certificate, or are 18 years of age or older, and show evidence of being able to benefit from instruction. Community colleges may permit the admission of K-12 students who, in the opinion of the Superintendent/President or designee, can benefit from instruction. Approval from the appropriate principal, Advisory Teacher, and parent/guardian is required. Enrollment in certain classes may be restricted.

University of California: Freshman Admission Requirements-Freshman applicants to the University of California must meet “A-G” requirements by taking fifteen certified college prep classes (units) in high school. Seven of these classes (units) must be taken in the last two years of high school. Impacted campuses or impacted majors on any campus are authorized to use supplementary admission criteria to screen applicants.

California State University: Freshman Admission Requirements-Freshman applicants qualify for the California State University system if they meet the course requirements. Students must have a high school grade point average of 2.0 for grades 10-12 for all required classes (except PE and military science). They should show a specific ratio between high school grade point average and determined eligibility index. Students must meet an eligibility index placing them in the top 1/3 of California’s public high school graduates. Impacted campuses or impacted majors on any campus are authorized to use supplementary admission criteria to screen applicants.

Private Colleges and Universities-Entrance requirements at private colleges and universities (i.e., Notre Dame, Brigham Young, Stanford, etc.) can vary significantly. Students should contact individual schools to obtain information.

Out-of-State Public Colleges and Universities-Public colleges and universities in other states have entrance requirements which may vary significantly. Students should contact individual schools to obtain information. As a rule, students who meet University of California entrance requirements will be eligible to attend most public colleges and universities. Out-of-state students usually pay significantly higher fees.

Vocational and Technical Schools-Admission requirements for technical and vocational schools vary greatly. Students should contact individual schools for requirements.

Personal Property Waiver/Release of Liability

Tracy Independent Study Charter School, and the Tracy Unified School District, its officer, agents, or employees shall not be responsible, in any manner, for the loss, theft, damage, or destruction of any personal property brought onto District premises by students for any reason whatsoever, including, but not limited to, a request by a staff member. The liability of the parent or guardian shall not exceed \$5,000.00.

Many students are unaware it is technically a misdemeanor to record fellow students or teachers in the education setting. Recording or still photography of students or staff without their knowledge or consent will be viewed as electronic harassment, and students may also be breaking the law. Suspension or expulsion may result from violation. This offense is considered more severe if the unconsented material is placed online. Tracy Charter shall develop a comprehensive policy to prevent and immediately remediate any concerns about discrimination or harassment at Tracy Charter (including employee to employee, employee to student, and student to employee misconduct). Misconduct of this nature is profoundly serious and will be addressed in accordance with Tracy Charter's anti-discrimination and harassment policies.

Investigations of Sexual Harassment

All reports of sexual harassment be it from employee or student, will cause an immediate investigation to commence. Where practical, all parties who are witnesses will be interviewed as to the facts of the matter.

Upon completion of the investigation the findings will be submitted, in the case of school employees, to the site principal or office of superintendent, whichever is applicable, for further review. In those cases where the findings are verified, consequences may range from verbal reprimand to termination depending on the totality of the circumstances.

In the case of students where the sexual harassment did occur, consequences may be suspension or expulsion pursuant to SB 1930.

Students of Tracy Charter are responsible for dressing in a neat and clean manner. In addition, under normal circumstances, no student should come to our campus with any kind of clothing, costume, and/or hairstyle which will tend to interrupt, disturb, or interfere with the normal educational program being carried on, either on the campus or on-line, or negatively affect the health and safety of individuals. The students must dress in such a manner that will conform to good taste. Explicit or implied profanities and/or obscenities will not be acceptable. Any items of clothing, jewelry, footwear, or headgear which would be injurious or potentially disruptive to the normal educational program or to any person or school district property are prohibited.

Cheating / Plagiarism

Tracy Charter and the Tracy Unified School District Board of Education are opposed to all forms of cheating by students within the Tracy Unified School District. Cheating may be defined as any act engaged in by one or more students with the intention of deceiving through dishonest means including, but not limited to, copying, use of "cheat sheets," or the deliberate use of ideas, writings, etc. of another person or from a source on the Internet.

The following procedure will be followed for cheating on tests and quizzes and for other incidents, including plagiarism, in which a student cheats on material required for the evaluation of his/her academic performance.

The student will receive no credit for the material. A "zero" will be recorded for the grade if the assignment is based on a numerical evaluation, otherwise a failing grade will be recorded for the evaluation.

The teacher of record will notify the school administrator. The teacher of record and/or school administrator will provide an opportunity to develop appropriate help for the student.

The teacher of record, after consulting the school administrator, will notify the parents of the incident. A parent meeting with the teacher of record and/or the administration will be offered. Any student involved in cheating will be subject to regular disciplinary action.

Search and Seizure

Students have certain rights to privacy in their person and property. However, in cases where school officials have a reasonable suspicion that school rules or state laws have been violated, such officials may engage in a reasonable search of students and/or their property. Any contraband material or evidence of violation of state law may be turned over to the proper authorities.

Prescription Drugs

California law states that no medication, prescription, or over-the-counter medication (such as Tylenol, Advil, cough syrup, etc.) may be given by school staff without written medical orders from a physician and written permission of the student's guardian or parent. Students may not bring prescription or over-the-counter medications to our school campus. If a student needs medication at school, an adult must bring in the medication with a current medication authorization form (good for the current school year only.) If a student is to self-administer a medication (such as inhalers or Epi-pens) the school nurse must evaluate the student's ability to understand, store, and take the medication in an appropriate manner. Written physician and parent approval of the student's ability to self-administer is also required. Failure to comply with the above regulations will result in disciplinary action. Medication authorization forms may be obtained from the Tracy Charter.

Smoking Violations

Tracy Charter, by Board of Education policy, is maintained as a smoke free environment. Smoking and/or vaping is not allowed in the building, in vehicles owned or used by the school, student vehicles, or on the school grounds at any time by anyone. This prohibition applies to all Tracy Charter students attending and/or participating in all officially sanctioned school activities on or off school property. Students in possession of tobacco or vape products are considered in violation of this rule.

Suspension/Expulsion

Tracy Charter shall comply with Tracy Unified School District policies and procedures for the suspension and expulsion of students including all laws applicable to the District. *The Tracy Unified School District administration reserves the right to objectively determine discipline based on due process of facts and other circumstances, such as prior discipline history.*

A pupil may be suspended or expelled for acts which are enumerated in this section and related to school activity or attendance which occur at any time, including but not limited to: 1) while on school grounds; 2) while going to or coming from school; 3) during the lunch period, whether on or off the campus; or 4) during, or while going to or coming from a school sponsored activity (whether on or off campus).

Students that are suspended after 12:00PM, the suspension will be for the remainder of the day plus the full number of days assigned. If a suspension occurs adjacent to a weekend/holiday, the student will be unable to participate in any school activities over the weekend/holiday.

All student disciplinary action will follow California Education Code 48900.

School Safety

Accidents/Illness

Report an accident or illness to the office immediately. Never move an injured student. If a student is sent to the nurse's office and the nurse is unavailable the student should report to the attendance office immediately and check in with the attendance clerk.

Address/Emergency Information Changes

Extremely Important: Please report any changes to the teacher of record and/or to the student services office. If there is any change in address, telephone number, or other information the school may need. This will assist the school in reaching parents/guardians or other emergency contacts in the event of an emergency.

Fire Alarms

A notice for fire directions is posted in each room. The signal for a fire or a drill is an intermittent signal. Students should walk quickly in an orderly fashion to the assigned area. (Turning on or setting off a false alarm is a felony offense.) One long ring is the all-clear signal.

School Lock Down

If a Lockdown is called (intruder alert, police activity in the area, etc.), all staff and students should remain in, or go to the nearest classroom, or other safe area immediately. An all call will be used as all clear signal.

Searches

All vehicles and personal articles on school property are subject to search for safety purposes at any time. The use of trained canines may be used without notice.

Thefts

Students who are victims of theft must report immediately to their teacher of record and complete a theft report by school administration and/or a school resource officer. This is extremely important, as this information will begin the investigative process.

Visitors on Campus

No student visitors are allowed at Tracy Charter during any part of the school year without prior approval from the administration unless under the supervision of a parent or other designated adult.

Animals on Campus

Animals are not allowed on campus, and may not be brought to school by students, parents, or other visitors except for guide dogs, service dogs, or animals used in school-approved learning activities. Please pre-arrange this visit with the teacher of record.

Affirmative Action Statement

Tracy Independent Study Charter School programs and activities are free from discrimination with respect to race, color, sex, religion, national origin, ethnic group, marital or parental status and physical or mental disability. Equal opportunities exist for all students in admission and access to all programs.
