

September 2nd,

Northwood Husky Families,

We can't wait to start on Tuesday, September 7th, at 8:05! Doors will open at 7:50. This will be my last communication prior to the start of school. It is going to be a great year. As always, these are new updates and prior updates can be found in my former letters by clicking [HERE](#).

Chromebooks

Please bring your chromebooks with you to school on the first day. Make sure they are charged and ready to use. If you do not have it because you were not able to visit, we will provide a time for you to get one on the first day of school. [Here](#) is a link to information about purchasing Chromebook insurance.

Schedules

Schedules are now viewable on PowerSchool! Please come to school on Tuesday knowing your first period teacher. Your first period teachers will have schedules ready to hand out to you to help you through the rest of the day. If you are not certain where your first class is when you get here, don't worry, there will be plenty of adults who want to help you have a great first day.

Meet Your Teachers

Students and parents. Grab your schedules and [CLICK HERE](#) to meet your teachers. Start with my video, as in my presentation I outline some things you will need to know like door entry, and a few other details. Then you can click on your principals and each of your teachers to meet them and learn a little more about Northwood.

Lunches

Don't let this be a stress right now. You will find out which lunch you have and where you are seated on the first day. Your fourth period teachers will let you know which lunch you have and we will help you find your way.

Have a great Holiday weekend and we look forward to welcoming you all on Tuesday, Sept 7th.
Troy Hughes
Northwood Principal
