

**6th GRADE**

Every student needs a sturdy 3” binder that **zippers shut**. Inside, please have...

- Pencil pouch
  - Pencils (about 5)
  - Pink pearl eraser
  - Small personal pencil sharpener
  - Small set of colored pencils
- Eight sturdy binder dividers with pouches
- College ruled paper
- Erasable pens

Please keep these items in your binder for the classes that require them:

**Math & Science:**

- Ruler with metric scale

**History & Science:**

- 3 different-colored highlighters

**English:**

- Two annotation pens (pens with both red & black/blue ink)
- Five red pens

**7th GRADE**

- Ruler
- Markers and/or colored pencils
- 3 ring binder
- College ruled paper
- 2 Highlighters
- General supply of pens/pencils
- Scissors
- Eight sturdy binder dividers with sleeves
- Composition notebook for science class
- One composition notebook

**English:** Red pen (multiple is better because they tend to get lost) and blue/black pen for annotating. Students generally like pens with a smaller tip so it’s easier to write in the margins; however, those tend to be more expensive. If your child has trouble keeping track of pens, certainly opt for the less expensive one.

**8th GRADE**

- Ruler
- Set of colored pencils
- 3 ring binder
- College ruled paper
- 2 Highlighters
- Folder
- General supply of pens/pencils
- Scissors
- Eight sturdy binder dividers with sleeves
- Composition notebook for science class
- Spiral notebook
- TI84 Graphing Calculator

**English:** Red pen (multiple is better because they tend to get lost) and blue/black pen for annotating. Students generally like pens with a smaller tip so it’s easier to write in the margins; however, those tend to be more expensive. If your child has trouble keeping track of pens, certainly opt for the less expensive one.
