

Dakota Hills Middle School 2022-23 6th Grade Supply List

Note: this is the supply list used for the 2021-22 school year. It is subject to change, but will likely remain with only minor changes.

School-Issued iPads: All 6th graders will be issued an iPad by the school. This will be used as the primary agenda or “planner” ... but students can bring and use a hard-copy planner if they wish.

System of Organization:

Having a physical tool like a large accordion file, or a trapper-keeper is important for keeping class materials organized, separated, and easy to locate. Each student is able to choose what works best for her/him, but our experience is positive for students who use a file folder system. We suggest the same color folder and notebook for subjects (i.e. red folder and red notebook for math, yellow folder and yellow notebook for science, etc.)

New Suggestion for 2022-23:

- Plug in keyboard for iPad (we know many students prefer a tactile keyboard to touchscreen typing)
