

NHS PTSA is a Parent Teacher Student Association open for all to join! The simplest way to become a member of our PTSA is by paying membership dues in the Optional Fees section on myDSD when you register your student for school online or take this form into the office with your payment. Each school's PTA/PTSA is separate so it's very helpful to join at each school you have a student attending. Your Northridge PTSA membership dues and donations help support the below programs plus many others.

- PTSA Parent and Student Membership with Donation \$25.00
- PTSA Single Membership \$ 7.00
- PTSA Donation \$10.00
- PTSA Donation \$25.00
