

YOU BELONG AT MEAD

Naslund's Notes

CLASS OF 2025...LET'S GOOOOOO!

Well, Huskies & Wolves (and the various other mascots from our area private schools) Panthers we've had lots of obstacles to overcome the last 12 months but one thing that will happen is getting you dialed-in for high school. We look forward to an epic 4 years at Mead High School that will undoubtedly fly by. Mrs. Harkness, YOUR counselor, has prepared a registration process with a video [HERE] and an in-person visit to follow the week of March 15 - 18.

We will start planning for YOU, prepare Panther Territory for YOU, and get ready for YOUR Freshman Orientation run by Mead Link on Wednesday, September 1 from 8:10a - 12:10pm. Yes, we are already thinking about that. YOU already belong!

Thank you for taking the time to think through your future at Mead (and beyond) and how we will help you prepare for the rest of your future. Know that we can fix mistakes made here and they aren't concrete, so go for it. Check out the next page for details.

In advance of your arrival, I'll give you a heads up. Every single day you will hear me say the following and it now applies to YOU:

*Thank YOU for being the school!
Remember, YOU belong @ Mead High School.
Keep your heads on a swivel and have a great day!*

Even a global pandemic couldn't stop you from high school!

Mr. Naslund
YOUR Principal

PS. We have a new program called Design Studio that has a promotional video you can check out by clicking below. Let Mrs. Harkness know directly via email if you wish to join the Design Studio. It's just one of your many options to explore:
