

Welcome to the Ohio County Public Schools, where our mission is, “To Provide Students With The Skills, Knowledge, And Support To Achieve Excellence And Become Lifelong Learners.” It is an honor to be the Superintendent of this outstanding district. Our dedicated and hardworking staff is committed to helping students maximize their learning potential while making school challenging and engaging. We strive daily to empower and prepare our students for the complex challenges of the 21st Century workplace.

Ohio County is second to none when it comes to understanding the importance of education and the value of our youth, our future. Ohio County is a wonderful place to raise a family and educate a child! The tremendous support of our schools by parents, community members, and business leaders are a vital factor in creating a first-class educational system. We sincerely appreciate the commitment of our community for helping make education a priority in Ohio County.

Thank you for visiting our website and learning more about our schools and what we have to offer the children in Ohio County. If you have any questions or concerns, please feel free to contact me at seth.southard@ohio.kyschools.us or call the District Office at 270-298-3249.
