2021, Here We Come!

Class of 2021, ready to flip the page on 2020 and start YOUR year? So are we. So is the rest of...the world! Let's do this. Panther Nation has two weeks to finish strong. Whether learning face-to-face, remote, or self-paced we are ready to take these two weeks head on with you.

In an effort to support our students during what can be and has been a difficult time for so many, our Mead Counseling Team has developed a Wellness Check Survey to be administered Monday & Tuesday morning in first period classes. We will then use that information to followup and show up. In addition, we have resources available [HERE](#) to share with you.

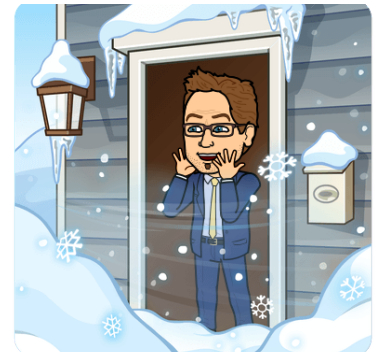

Thank you for partnering with us. For wellness. For good!

Thank YOU for helping us maintain the option for in-person instruction by doing what you can to limit community spread of COVID-19. Limiting large gatherings, masking up and maintaining physical distance are the best ways to do just that! Click [HERE](#) for a great resource for helping keep you and those around you safe.

FUTURE READY SCHOOLS

PREPARING STUDENTS FOR SUCCESS

SAT/ ACT/ PSAT Update

Many traditional SAT/ACT weekend test sites have been closed in our area due to the COVID pandemic. If you have already registered for an upcoming test you may want to check center closures [here](#) prior to your scheduled SAT test date and ACT closures are [here](#). Due to the limited opportunities to test, most colleges are not requiring SAT/ACT scores for admission or merit scholarships for the Class of 2021. Many of the most common places our students apply are among schools that no longer require SAT/ACT scores: EWU, CWU, WSU, UW, Whitworth, and Gonzaga. Please check with individual college admission websites for specific information on how that college will be handling SAT/ACT scores for admission and scholarship purposes.

PSAT - Due to our hybrid learning model and cohort distancing, Mead High School will not be able to host PSAT testing now.

Here are some great resources to provide test prep:
