

The DfE's 5 Key indicators across which schools should demonstrate an improvement:

- The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

How much (if any) do you intend to carry over from this total fund into 2021/22?	£7,526
Total amount allocated for 2021/22	£18,090
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£25,616

## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.  N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021. Please see note above	90%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	90%
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	90%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/No
