## Principal's Message

Dear Students and Parents,

Here at George Kelly Elementary School (KES), the staff is dedicated to ensuring the highest levels of learning for every child, by developing trusting prosocial relationships with every child, and by guaranteeing powerful pedagogies every day in the classroom.

Working as a professional learning community (PLC), George Kelly School has adopted the Hawaiian philosophy of Ohana. We are a family, and we keep moving forward. Supporting our goals of ensuring high levels of learning and social responsibility for every child, we are proactive in communicating with families. Thus, safeguarding our aims of providing a safe and welcoming space for every child to achieve his or her fullest potential.

Guaranteeing high levels of learning, prosocial development, and pledging college and career readiness for every child extends beyond the classroom borders. Trimester awards assemblies assist us in acknowledging students' performances, both for their academic prowess, and for their development of personal character. "Ohana-Fest" an end of the school year celebration, celebrates academic success, character development, and perfect attendance for the school year. George Kelly's annual attendance goal is 97% schoolwide. For the 2020-21 school year, our annual attendance rate was 98.39%. KES' chronic absenteeism rate is at 5.3%. Our goal is to reduce chronic absenteeism rates by 1.0% or more. We are working with all school stakeholders to reduce chronic absenteeism schoolwide.

For school updates, current events and special announcements, you may follow George Kelly School on Facebook at [www.facebook.com/GeorgeKellySchool](https://www.facebook.com/GeorgeKellySchool), as well as our school website [www.tracy.k12.ca.us/sites/kes/Pages/default.aspx](http://www.tracy.k12.ca.us/sites/kes/Pages/default.aspx).

Sincerely,

Brittani Ryan, Principal

## School Mission Statement

George Kelly Elementary School exists to ensure that all students learn at high levels, every day.

## School Vision Statement

To achieve our Mission, KES is creating a sustainable instructional system for the benefit of the students that we serve. To do this, we focus our work by prioritizing a culture of learning, a culture of collaboration, and a concerted focus on results. The students' performance data that are collected by teachers serves as a primary indicator to make informed instructional adjustments. Teachers then work in collaborative teams to discuss students' ongoing progress, create systems of strategic support, and offer targeted and skills-based support and enrichment for each child. This system is fluid by design, and as students' learning continues to evolve and change, our responses in terms of how best to support their continued needs will likewise shift and evolve.

## Enrollment by Student Group

The total enrollment at the school was 978 students for the 2020-21 school year. The pie chart displays the percentage of students enrolled in each group.

### Demographics

2020-21 School Year

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

## District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

## Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

## Parental Involvement

George Kelly Elementary parent involvement is very strong and apparent on campus. Parent volunteers are all cleared to be on campus and are required to wear an identification badge while on campus. Due to COVID restrictions, we are unable to have parent volunteers on campus at this time. However, once this guideline changes, we will resume. George Kelly's wonderful Parent Teacher Organization (PTO) meets every first Thursday of the month virtually from 5:30 p.m. to 6:30 p.m.

The PTO works diligently at organizing events for our community to be involved with, as well as school-wide events and fundraisers. This group assists our school with organizing several marquis events—including the Fall Festival, Winter Wonderland and Texas Roadhouse dinners—also, the PTO helps to maintain material funds for teachers, including Box Top collections and spirit wear coordination.

Teachers are also the beneficiaries of parental support, given the large number of parent volunteers who are U.S. Department of Justice-cleared to assist in the classroom. Due to COVID restrictions, we are unable to have parent volunteers in the classroom at this time. However, once this guideline changes, we will resume. Some of the supports offered by these volunteers include: 1) supporting students' learning; 2) helping to prepare classroom instructional materials; 3) representing parents' interests on the school site council (SSC); and 4) meeting monthly to ensure the academic success of all English learner students via the Superintendent's Committee and District English Learner Advisory Committee (DELAC) to name only a few. If you are interested in joining a committee, please contact the office at (209) 830-3390.

## Types of Services Funded

About 55% of the district's income is spent on employee salaries, and 22% is spent on employee benefits. Books and supplies account for 9% of the district's spending, an additional 9% is dedicated to services and operating costs, 1% is used for capital outlay, and 2% is spent on another district outgo. Expenditures are expected to exceed revenues by approximately 8%.

All our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

◇ The 2020-21 data are not available. Due to the COVID-19 crisis, the Physical Fitness Test was suspended.

## SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

## CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in ELA and Mathematics for All Students taking and completing a state-administered assessment

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

■ Data for 2019–20 are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–20 school year.

\* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## Note

Due to the COVID-19 pandemic, California Governor Gavin Newsom issued Executive Order N-30-20 which waived the requirement for statewide testing for the 2019–20 school year. Also due to the COVID-19 pandemic, the U.S. Department of Education approved a waiver of the requirement for statewide testing for the 2019–20 school year, as specified on the CDE Every Student Succeeds Act web page at <https://www.cde.ca.gov/re/es/>.

## About Our School

George Kelly Elementary School is a common core state standard (CCSS) and next generation science standards (NGSS) aligned school serving 947 kindergarten through eighth-grade students. Kelly School enjoys an excellent academic reputation, with a centralized focus of high levels of learning for every student. Students' academic experiences are enhanced via the incorporation of technology support and digital access across all content areas.

Because of our ongoing efforts to support the prosocial development of every child, a variety of supplemental programs and activities are woven into each student's experiences. We offer a variety of extracurricular activities during and after school, including leadership, sports, a parent-lead art docent program, Science Olympiad, Math Olympiad, Spelling Bee, yearbook, Kindness Challenge, Peace Walks, the Spring Musical Play, choir and band, to name a few.

To best support these initiatives, the George Kelly administration, teachers, support staff, and parents work together—in an intentionally focused capacity—to provide and ensure high levels of learning and social development for every student, by every standard, every day.

## School Facilities

### General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of George Kelly School for the 2021-22 school year, and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

### Age of School/Buildings

This school has 44 classrooms, a multipurpose room, administration building, media center and kitchen. The main campus was built in 2005 and opened in 2006. Additions were constructed in the 2004-05 school year (five relocatable classrooms were allotted to the site) and in the 2008-09 school year (four relocatable classrooms).

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching-share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

*"We are a family, and we keep moving forward. Supporting our goals of ensuring high levels of learning and social responsibility for every child,"*

## Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	
2021-22 School Year	
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	No $\neq$
$\neq$ Science instructional materials, K-12, are currently going through an instructional materials adoption using the CA NGSS Toolkit for IM Evaluation; to be completed in February 2022 and to be in students' hands in the 2022-23 school year.	

## Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject	
2021-22 School Year	
Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%
Health	0%

## Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2021. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12.

## School Safety

George Kelly School's goal is to establish a positive climate and increase cultural proficiency. The data indicates we have accomplished our goal. This can be seen in the positive climate surveys and our low numbers of suspension and no expulsions.

All George Kelly school staff members work collaboratively to provide a safe and motivating environment where all students succeed academically and socially. Safety is our first priority at Kelly. Staff members supervise students at all times. School supervision employees carry walkie-talkies and wear orange vests while supervising for visual accessibility. The school safety plan is aligned with district requirements and reviewed regularly by holding monthly drills.

Our school safety plan is updated annually. It identifies and articulates KES' plan of action to meet/exceed the stated safety goals. Listed here are KES' site safety goals: 1) Create and sustain a safe school environment; 2) maintain teacher awareness of the pressing safety issues that require our ongoing attention; 3) provide curriculum activities to promote safe behavior at school and within the community; 4) involving parents and community stakeholders, by involving them in the development and implementation of our safe schools initiatives; and 5) equip our students with the necessary tools in order to personally maintain and promote safe behavior. Each of the stated goals inform and help to frame our collective decision-making in terms of ensuring students' safety each day and helping to guarantee high levels of learning for every student.

Emergency telephone numbers are located in each classroom, an emergency/safety binder (located in the KES office), and the KES cafeteria. Additionally, emergency buckets are located throughout the school. Fire evacuation routes and meeting locations are posted in each classroom. In order to keep our procedures understood and tight, the KES students and staff practice monthly safety drills (the drill schedule is available for view in the KES office).

KES practices progressive intervention with respect to student behavioral expectations. These expectations are communicated annually to the KES community. In addition, a series of yearly surveys are distributed to all KES staff members, along with KES students and families. The collected data informs our ongoing instructional planning protocols.

Finally, several reports are prepared annually. Some of these reports include the following information: 1) Ongoing discipline reports are generated through CALPADS (the California Longitudinal Pupil Achievement Data System) and district provided reports. 2) Attendance is recorded and monitored on-site by the attendance clerk. Attendance reports are provided to the administration on a monthly basis. 3) The School Site Council (SSC), English Learner Advisory Committee (ELAC), staff and leadership committees, as well as KES' Parent Teacher Organization (PTO) meet monthly to plan for and report updates of school activities in an ongoing fashion (KES leadership meets the second Tuesday of every month at 3 p.m. and PTO meets on the first Thursday of every month at 5:30 p.m.).

The school safety plan was last reviewed, updated and discussed with the school faculty in August 2021.

## Professional Development

The Tracy Unified School District requires new teachers to participate in the Tracy Teacher Induction Program (TTIP). This involves six full days of pre-service and four days of follow-up during the year. At this time, teachers are introduced to the district and their site and receive training on classroom management, content organization and lesson design.

All activities are based on the California Standards for the Teaching Profession (CSTP). Throughout the year in TTIP, teachers are additionally supported in the classroom on a regular basis by a staff development specialist. New teachers who qualify for the Beginning Teacher Support and Assessment (BTSA) program to clear their preliminary credentials will be assigned a BTSA support provider and will work through modules implemented in the program.

The district offers professional development opportunities for all staff members throughout the school year. During the 2021-22 school year, TUSD is providing five full professional development days. These professional development opportunities help to support students' ongoing learning.

To continue our work with Rigor, Relevance and Relationships (RRR), our International Center for Leadership in Education (ICLE) RRR coach will visit our campus eight times throughout the 2021-22 school year. During these visits, our RRR coach will work alongside our teachers, engaging them in the 5E lesson design and working with them as a thought partner to assist in meeting our school's student learning goals.

To continue our work with Science, Technology, Engineering and Math education (STEM), three of our teachers work with KES administration on a site implementation team (SIT). The role of our SIT is to meet as a team throughout the school year to plan site actions concerning STEM. This includes completing and reviewing data collected from site instructional walkthroughs to inform next steps for STEM sustainability, and to build capacity to facilitate professional learning for colleagues at our site. Overall, our SIT exists to ensure students are engaging in inquiry-based STEM instruction with a focus on academic discussion and sense-making strategies and to ensure students are engaged in high levels of rigor and real-world relevance in their curriculum, instruction and assessment.

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

## Teacher Preparation and Placement

**Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned):** The teacher possesses a California preliminary or clear credential issued by the California Commission on Teacher Credentialing which permits them to teach the subject and grade levels that they are assigned.

**Intern Credential Holders Properly Assigned:** The teacher possess a California intern credential issued by the California Commission on Teacher Credentialing which permits them to teach the subject and grade levels that they are assigned.

**Teachers Without Credentials and Misassignments ("ineffective" under Every Student Succeeds Act [ESSA]):** An ineffective teacher is any of the following:

- An individual whose assignment is legally authorized by an emergency permit that does not require possession of a full teaching license; or
- A teacher who holds a teaching credential but does not possess a permit or authorization that temporarily allows them to teach outside of their credentialed area (misassigned); or
- An individual who holds no credential, permit, or authorization to teach in California.
- "Ineffective" includes the following limited term emergency permits:
  - Provisional Internship Permits;
  - Short-Term Staff Permits;
  - Variable Term Waivers; and
  - Substitute permits or Teaching Permits for Statutory Leave (TSPL) holders serving as the teacher of record.

**Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA):** A credentialed teacher who has not yet demonstrated subject matter competence in the subject area(s) or for the student population to which he or she is assigned. Under this definition, the following limited permits will be considered out of field:

- General Education Limited Assignment Permit (GELAP)
- Special Education Limited Assignment Permit (SELAP)
- Short-Term Waivers
- Emergency English Learner or Bilingual Authorization Permits
- Local Assignment Options

**Unknown:** These are instances where either information about the course assignment or the teacher is either missing or has been identified as incorrect. Therefore, an accurate assignment status cannot be currently made.

## Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 school year. This table displays the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district, and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

## Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

**Permits/waivers:** Teachers that are issued limited emergency permits by the California Commission on Teacher Credentialing that authorize them to temporarily teach courses and student groups they are assigned to without possessing the appropriate credential.

**Teacher Misassignments:** The assignment of employees to teaching or pupil services positions for which the employee does not hold the required certificate, credential, or other statutory authorization.

**Vacant Teacher Positions:** The total number of the school's vacant teacher positions.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

## Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

**Credentialed Teachers Authorized on a Permit or Waiver:** Teachers that are issued limited emergency permits by the California Commission on Teacher Credentialing that authorize them to temporarily teach courses and student groups they are assigned to without possessing the appropriate credential.

**Local Assignment Options:** Means if an employing agency is unable to assign a teacher or other certificated employee with an appropriate credential, it can assign any fully-credentialed teacher outside of their area of credential authorization if the local educational agency abides by requirements in California Education Code and those required by the California Commission on Teacher Credentialing.

For more information on the definitions listed above, refer to the California Commission on Teacher Credentialing's Administrator's Assignment Manual at <https://www.ctc.ca.gov/credentials/manuals>.

School and California: percentage difference	-31.4%	-4.5%

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of January 2022.
