Principal's Message

I am honored to continue serving the students, staff, parents and community of North Elementary School for a third year. As principal, I believe positive relationships are an essential key in successful schools, and relationships must be modeled at all levels of the organization. Keeping our students safe is essential in establishing positive relationships. I believe in having a safe school, one in which student's flourish and find joy in learning.

Returning to school from a worldwide pandemic has been difficult. Working together as a community, we will overcome the difficulties that may arise. Our North School modernization was completed prior to the start of the school year and as a result we were able to begin the school year reunited at one site. It took hard work and community involvement to complete the project ahead of schedule. Now we can benefit from being the newest school in all of Tracy unified.

North school is working to prepare students to be college and career ready. We are committed to working to implement STEM (Science Technology Engineering and Math) and AVID (Advancement Via Individual Determination) strategies to help students succeed. We are entering our third year of AVID with our two school-wide goals of organizational skills and a college and career culture for everyone. We are also committed to implementing STEM to include higher-level questioning strategies in all content areas.

I truly care about all our students at North. I am committed to involvement for our amazing community. Please feel free to contact me with questions, comments or concerns.

Follow North School on our school webpage and on Facebook at www.facebook.com/NorthSchoolTUSD for school updates. You will learn about campus events and special announcements.

Sincerely,

Jose Jimenez, Principal

School Mission Statement

It is our mission to provide a safe, creative, learning environment where staff and students from diverse backgrounds, come together, to learn from each other, to be self-reliant and to prepare to be accountable members of a global society.

School Vision Statement

North School will work with students, staff and community to empower students to become self-reliant, responsible, kind, creative, accountable members of a global society.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

Enrollment by Student Group

The total enrollment at the school was 741 students for the 2020-21 school year. The pie chart displays the percentage of students enrolled in each group.

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Parental Involvement

Parents can contribute to North School's success by attending Second Cup of Coffee, Parent Café, North School Parent Club, English Learner Advisory Committee (ELAC) and School Site Council meetings. Once restrictions and health guidelines permit, parents/guardians are welcome to attend our Farmers Market and our Special Events.

Parent classroom volunteers and supervisors are also an important part of North School. They act as mentors and role models to many of our students. They also help teachers in the classroom.

Parents provide a wealth of experiences they can share with students. Presentations on culture, traditions, occupations and life experiences open students to new perspectives in a diverse population. If you wish to participate, contact our office at (209) 830-3350.

About Our School

North School is a K-8 school with a population of about 740 students; we also have a preschool on campus that prepares students who will be entering kindergarten.

North School has identified 3 main pillars for success:

- Positive relationships among students, staff and the community
- A rigorous learning environment preparing students for the future through the support of AVID and STEM strategies
- Safe learning environment for all students

As a staff, we are committed to implementing schoolwide AVID strategies such as organizational skills and a college and career culture. In STEM, we are committed to promoting higher-level questioning strategies in all content areas.

We have several key partnerships, including, Costco, Valley Community Counseling Services, Sow-a-Seed and Boys & Girls Club all of whom provide services for students beyond academics by supporting the social and emotional needs of children.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

CAASPP Test Results in ELA and Mathematics for All Students taking and completing a state-administered assessment

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

| Mathematics | ■ | * | ■ | * | ■ | * |

■ Data for 2019–20 are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–20 school year.

* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

Note

Due to the COVID-19 pandemic, California Governor Gavin Newsom issued Executive Order N-30-20 which waived the requirement for statewide testing for the 2019–20 school year. Also due to the COVID-19 pandemic, the U.S. Department of Education approved a waiver of the requirement for statewide testing for the 2019–20 school year, as specified on the CDE Every Student Succeeds Act web page at <https://www.cde.ca.gov/re/es/>.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facilities

General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public-School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of North School for the 2020-21 school year and the efforts made to ensure students are provided with a clean, safe and functional learning environment.

Age of School/Buildings

This school has 35 classrooms hosted in multiple buildings, a multipurpose room, library, administration building, kitchen, teacher work rooms, storage buildings and a First Five preschool building. Additionally, the main campus was recently modernized with construction completed in the fall of 2021. The modernization project consisted of removing all classrooms dated pre-1990 and constructing a two-story building and upgrading all safety, fire and accessibility features. Other site amenities include state approved shade structures, play structures and solar arrays.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state-deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

Modernization Projects

North School completed its modernization project in 2020-21.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Safety

Safety is always at the forefront of the school's effort to provide a positive learning environment. Safety drills in the form of lockdowns, earthquake and fire drills are practiced regularly. North School encourages parents to report concerns, which are dealt with immediately. Parents are contacted by teachers and administrators for all disciplinary issues.

Each school year, parents and staff review and revise our School Safety Plan during School Site Council meetings. North School safety plans are designed to meet the challenges of today's complex society. The district has completed an updated districtwide emergency plan for each school site.

The school safety plan was last reviewed, updated and discussed with the school faculty in January 2022.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

| Quality of Textbooks | |
|---|--------|
| 2021-22 School Year | |
| Criteria | Yes/No |
| Are the textbooks adopted from the most recent state-approved or local governing-board-approved list? | No ✕ |
| ✕ Science instructional materials, K-12, are currently going through an instructional materials adoption using the CA NGSS Toolkit for IM Evaluation; to be completed in February 2022 and to be in students' hands in the 2022-23 school year. | |

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

| Percentage of Students Lacking Materials by Subject | |
|---|----|
| 2021-22 School Year | |
| Reading/language arts | 0% |
| Mathematics | 0% |
| Science | 0% |
| History/social science | 0% |
| Visual and performing arts | 0% |
| Foreign language | ✕ |
| Health | ✕ |

Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2021. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12.

Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 school year. This table displays the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district, and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Permits/waivers: Teachers that are issued limited emergency permits by the California Commission on Teacher Credentialing that authorize them to temporarily teach courses and student groups they are assigned to without possessing the appropriate credential.

Teacher Misassignments: The assignment of employees to teaching or pupil services positions for which the employee does not hold the required certificate, credential, or other statutory authorization.

Vacant Teacher Positions: The total number of the school's vacant teacher positions.

| Teachers Without Credentials and Misassignments | | 2020-21 School Year |
|--|--------------|---------------------|
| Authorization/Assignment | North School | |
| Permits and Waivers | 0.0 | |
| Misassignments | 0.0 | |
| Vacant Positions | 0.0 | |
| Total Teachers Without Credentials and Misassignments | 0.0 | |

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp>.

Teacher Preparation and Placement

Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned): The teacher possesses a California preliminary or clear credential issued by the California Commission on Teacher Credentialing which permits them to teach the subject and grade levels that they are assigned.

Intern Credential Holders Properly Assigned: The teacher possess a California intern credential issued by the California Commission on Teacher Credentialing which permits them to teach the subject and grade levels that they are assigned.

Teachers Without Credentials and Misassignments ("ineffective" under Every Student Succeeds Act [ESSA]): An ineffective teacher is any of the following:

- An individual whose assignment is legally authorized by an emergency permit that does not require possession of a full teaching license; or
- A teacher who holds a teaching credential but does not possess a permit or authorization that temporarily allows them to teach outside of their credentialed area (misassigned); or
- An individual who holds no credential, permit, or authorization to teach in California.
- "Ineffective" includes the following limited term emergency permits:
 - Provisional Internship Permits;
 - Short-Term Staff Permits;
 - Variable Term Waivers; and
 - Substitute permits or Teaching Permits for Statutory Leave (TSPL) holders serving as the teacher of record.

Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA): A credentialed teacher who has not yet demonstrated subject matter competence in the subject area(s) or for the student population to which he or she is assigned. Under this definition, the following limited permits will be considered out of field:

- General Education Limited Assignment Permit (GELAP)
- Special Education Limited Assignment Permit (SELAP)
- Short-Term Waivers
- Emergency English Learner or Bilingual Authorization Permits
- Local Assignment Options

Unknown: These are instances where either information about the course assignment or the teacher is either missing or has been identified as incorrect. Therefore, an accurate assignment status cannot be currently made.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

| Ratio of Pupils to Academic Counselors and School Support Staff Data | |
|--|-------|
| 2019-20 School Year | |
| | Ratio |
| Pupils to Academic counselors | 760:1 |
| Support Staff | FTE |

| Social worker | 0.00 |
| Nurse | 0.06 |
| Speech/language/hearing specialist | 1.00 |
| Resource specialist (nonteaching) | 2.00 |

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Credentialed Teachers Authorized on a Permit or Waiver: Teachers that are issued limited emergency permits by the California Commission on Teacher Credentialing that authorize them to temporarily teach courses and student groups they are assigned to without possessing the appropriate credential.

Local Assignment Options: Means if an employing agency is unable to assign a teacher or other certificated employee with an appropriate credential, it can assign any fully-credentialed teacher outside of their area of credential authorization if the local educational agency abides by requirements in California Education Code and those required by the California Commission on Teacher Credentialing.

For more information on the definitions listed above, refer to the California Commission on Teacher Credentialing's Administrator's Assignment Manual at <https://www.ctc.ca.gov/credentials/manuals>.

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

| Financial Data Comparison | | | 2019-20 Fiscal Year |
|---|--|-------------------------------|---------------------|
| | Expenditures Per Pupil From Unrestricted Sources | Annual Average Teacher Salary | |
| North School | \$6,400 | \$76,752 | |
| Tracy USD | \$6,777 | \$72,386 | |
| California | \$8,444 | \$86,376 | |
| School and district: percentage difference | -5.6% | +6.0% | |
| School and California: percentage difference | -24.2% | -11.1% | |

Types of Services Funded

About 55% of the district's income is spent on employee salaries, and 22% is spent on employee benefits. Books and supplies account for 9% of the district's spending, an additional 9% is dedicated to services and operating costs, 1% is used for capital outlay, and 2% is spent on another district outgo. Expenditures are expected to exceed revenues by approximately 8%.

All our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

| School Financial Data | |
