Dr. Keith W. Hiltz, Superintendent of Schools

Dear Wausau School District Parents/Guardians:

We hope you are having a wonderful summer! As the 2022-2023 school year gets closer, we just want to remind you to watch for back-to-school communication beginning August 1. That's when staff at many of our schools will start sending out important updates and information ahead of the first day of school, which is September 1. Please know you should receive that information no later than the end of August. During the summer, many of our buildings are not staffed, that's why you may not have received anything yet.
