PERSONAL BUSINESS LEAVE

Each certified regular professional employee will receive two (2) days of personal business leave with full pay on the second day of each new employment year of regular full time employment.

- A. Certified regular professional employees requesting personal business leave will notify their building principal no later than five (5) days prior to the time the leave will be taken, except that, in case of emergency, this provision can be waived by the building principal.
- B. No more than 15% percent of the certified regular professional employees per building per week will be granted personal business leave, subject to the availability of substitute teachers. No building will be limited to less than two (2) personal days per week. Additional certified regular professional employees may be granted days by the building principal, subject to the availability of substitute teachers. Requests will be processed on a “first come, first served” basis.
- C. No personal business leave will be granted to any certified regular professional employee during the first and last two (2) weeks of school, except that this regulation may be waived by the building principal when in his/her judgment a severe emergency or hardship factor exists in the request.
- D. Each certified regular professional employee will accumulate no more than six (6) days of unused personal leave.
- E. Upon written request from the certified regular professional employee, an additional personal business leave may be granted at the discretion of the Superintendent or his/her designee with the cost of one contract day deducted from the certified regular professional employee’s salary.
- F. Unused personal business leave days may be cashed in per the following guidelines:
 - 1. No more than three (3) days per year may be cashed in.
 - 2. Reimbursement will be made at 1/190 of the district minimum certified regular professional salary for each personal day cashed in. For example, for 2022-2023 school year, the reimbursement is set at \$214.43 per day.
 - 3. Written request for payment for unused personal business leave can be made to the District payroll department at any time before June 10. Payment will be made in the June paycheck.
 - 4. In the event that an employee carries more than four (4) personal days into May 25, they will automatically be reimbursed under the provisions of F.2 above.
- G. The District will provide a monthly account of the employee’s personal business leave balances and usages, via employee account access of the District’s business accounting software (Skyward).
- H. One additional personal day will be added in the following year if a certified regular professional employee does not use more than one (1) sick leave day during the school year.

ARTICLE 2

SICK LEAVE

Each certified regular professional employee will be credited with ten (10) days of sick leave on the second day of each new employment year of regular full-time employment. Sick leave is to be used for absences caused by personal or family illness. Each certified regular professional employee is entitled to the number of unused sick days that he/she has accumulated. Sick leave days used will come from those days accumulated prior to July 1, if the certified regular professional employee had accumulated days prior to that date. The District will provide a

monthly account of the employee's personal sick leave balances and usages, via employee account access of the District's business accounting software (Skyward).

ARTICLE 3
SICK LEAVE BANK

The Board of Trustees hereby establishes a District Sick Leave Bank controlled by the following philosophy and regulations:

1. **PURPOSE:** The purpose of the Sick Leave Bank will be to provide certified regular professional employees who are members of the bank with additional sick leave days needed to recover from personal catastrophic* illnesses which cause absence from work and loss of all accumulated personal sick leave. The bank will not be used as a reserve for time lost due to short-term illnesses which would normally be covered by the certified regular professional employee's accumulated sick leave, nor from time lost due to illness in the family, bereavement, or purposes other than personal illness except as stated in Item #8 (Extenuating Circumstances) below.

2. **ADMINISTRATION:** The Sick Leave Bank will be administered by the Sick Leave Council in conformance with the regulations set forth in this agreement. The Sick Leave Council will be composed of two people appointed by the School Board, two PFEA members, and a fifth person chosen by the other four. The council should elect a chairperson. Council terms will run for the length of the school year.

Responsibilities - The committee will have the following authority:

- A. review applications from the members,
- B. make grants from the bank,
- C. determine if the annual membership contribution should be made, and
- D. use its discretionary power to protect both the integrity of the bank and the rights of its members.

3. **ELIGIBILITY FOR MEMBERSHIP:** Membership in the Sick Leave Bank will be extended to any certified regular professional employee of the school District.

4. **MEMBERSHIP:** Each certified regular professional employee of the District covered by this contract may participate in the Sick Leave Bank. To participate, each certified regular professional employee will contribute one of his/her earned sick leave days as determined by the Sick Leave Council. Sick leave days thus contributed will be deducted from the individual's annual sick leave entitlement. The contributed sick leave days will form a fund of sick leave days that will be available to all eligible participating Sick Leave Bank members upon recommendation of the Sick Leave Council.

5. **CAPACITY:** The Sick Leave Bank will accumulate the contributed sick leave bank days from year to year. Upon the determination by the Sick Leave Council that sufficient sick leave days are accumulated to cover foreseen needs, the Sick Leave Council may elect to waive the contribution of one day of sick leave by continuing members. In this case, members from the immediate prior year would continue membership with no additional contribution, while new members will still be required to contribute a sick day.

6. **WITHDRAWAL:** In order to insure that one certified regular professional employee does not deplete the bank at the expense of other certified regular professional employees who may later apply, with equally or more serious circumstances, no certified regular professional employee will be granted more than 90 days at any one time or for any single circumstance. No certified regular professional employee will be granted more than 180 days total in any consecutive four (4) year period.

7. **EMPLOYEE USE OF BANK:** The certified professional employee, or the PFEA President, when the certified regular professional employee is physically incapable, will file FORM 2, APPLICATION FORM FOR

SICK LEAVE BANK DAYS, with the District Office so that it can be confirmed that the certified regular professional employee will use all of his/her accumulated personal sick leave making him/her eligible to apply for use of Bank days.

Criteria:

- A. The member must have used all accumulated sick leave.
- B. The member must have used all personal leave.
- C. The member must not be eligible for lost time compensation under Workers' Compensation.
- D. The member must present the committee with an American Medical Association recognized medical physician's statement of illness/injury verifying that an injury or an AMA recognized illness exists which is debilitating and prevents the member from performing the duties of his/her job and other documentation as required by the committee.
- E. A certified member that is in their first year of employment with the Post Falls School District is eligible to access the Sick Leave Bank unless there is a diagnosed preexisting condition prior to employment which directly relates to or impacts the condition for which leave is being applied.

* Webster's Third New International Dictionary defines "Catastrophe" as "a momentous tragic usually sudden event marked by effects ranging from extreme misfortune to utter overthrow or ruin."

The certified regular professional employee, or the PFEA President, when the certified regular professional employee is physically incapable, will be required to file with the District Office FORM 3, DOCTOR FORM, to protect the District against malingering or false claims of illness as provided by Idaho Code §§ 33-1216 and 33-1218. The District Office will forward FORMS 2 and 3 to the chairperson of the Sick Leave Council.

The Sick Leave Council will give full consideration to all requests for use of the bank and will make final approval or disapproval of any request in full or part on FORM 4, APPROVAL AND TRANSFER FORM, within eight (8) working days of receipt of FORMS 2 and 3. (Fill out FORM 4 in duplicate; one copy to certified regular professional employee and one copy to District Office.)

If the certified regular professional employee's request is approved, transfer of the approved number of days from the bank to the certified regular professional employee will be made so that the transfer is reflected in the next available payroll disbursement.

In the event of a disagreement between a member and the Sick Leave Council as to whether or not a specific disability qualifies the member for a bank grant, the committee may require the member to submit to an examination by an AMA approved medical physician chosen and paid for by the District. The results of such an examination will be submitted to the committee for its consideration in making a final determination of the application for a grant. If the committee deems it necessary, it will require proof of illness or injury at the time of application and from time to time after a grant has been made.

If a certified regular professional employee requires additional sick leave time after the certified professional employee's accumulated sick leave, personal days, and days granted by the Sick Leave Bank have been depleted, the Sick Leave Council may grant up to 40 additional days, for which the certified professional employee will be charged substitute wages.

8. EXTENUATING CIRCUMSTANCES: Once a certified regular professional employee's personal sick leave is depleted, and a catastrophic illness or injury of immediate family (spouse, children) requires the certified regular professional employee to be at home, the certified regular professional employee will be eligible for up to forty (40) days of sick leave, upon the approval of the Sick Leave Council. After forty (40) days, the regular professional employee will be charged substitute wages if additional time is needed up to forty (40) additional days.

ARTICLE 4
MATERNITY/PATERNITY AND ADOPTION LEAVE

The purpose of maternity/paternity leave is to provide a uniform benefit assisting parents with the care of an infant* baby or *newly* adopted child.

A certified regular professional employee who is pregnant may work as long as permitted by the attending physician prior to delivery.

The certified regular professional employee, upon return, will be placed in the position that they vacated and will be placed on the appropriate step on the salary schedule with no loss of accrued benefits.

If a certified regular professional employee leaves and returns from leave on or during the same school year, then the issue of steps on the salary schedule will be interpreted as the same as if the affected certified regular professional employee has been present all year.

The certified regular professional employee may take leave to stay home with an infant or newly adopted child for a period not to exceed sixty (60) consecutive contracted work days** during the first year after the child's birth or adoption. The certified regular professional employee will use accumulated sick leave or incur a salary deduction at the same rate as the substitute rate for each contracted work day. The employee will lose no rights or benefits while on maternity/paternity leave.

In some cases, it may be beneficial to the certified regular professional employee, District, and students to make an exception to the consecutive contracted work days clause above. Upon District approval, other arrangements might be possible, including the taking of half days of leave, or splitting the leave periods to maintain student contact and relationship. It is understood that in no case shall any amended leave terms be taken outside the window of sixty (60) continuous contracted work days as defined above.

Maternity/paternity leave may be used by a certified employee after the completion of at least two consecutive contracted years of service in the Post Falls School District.

*Webster's New Third International Dictionary defines an infant as "a child in the first year of life".

**Contracted work days are defined as the total number of contracted days delineated on each certificated employee's employment contract. These contracted days include work days, exchange days, holidays, conference days, in-service days, emergency closure days and days that students are attending school.

ARTICLE 5
BEREAVEMENT LEAVE

Following the death of a family member, employees may, based on personal need and supervisor's approval, be granted five days contiguous leave without loss of pay. Employees will submit a request for leave within two (2) weeks of the death of their immediate family member, with the understanding that the leave will be taken within one (1) calendar year of the death.

Death or bereavement leave is non-cumulative.

The "Employee's Family" is defined as an individual with any of the following relationships to the employee:

1. Spouse, and parents thereof;
2. Children, and spouses thereof;
3. Parents, and spouses thereof;
4. Siblings, and spouses thereof;

5. Grandparents and Grandchildren, and spouses thereof;
6. Relative residents/domestic partner and parents thereof; of the same household.

ARTICLE 6

PROFESSIONAL DEVELOPMENT LEAVE AND LEADERSHIP LEAVE

One hundred sixty-seven (167) days of professional development leave and fifteen (15) days of leadership leave per year with full pay will be granted by the Post Falls School District to the certified regular professional employees of the entire District to attend professional meetings. Professional development leave must be related to the area of the employee assignment of the certified regular professional employee requesting professional leave and to Board adopted goals. These are stated in Board Policy 102. For District Mission and Goals go to www.pfsd.com - Board Policy 102. Professional development leave is intended for participation in activities that are intended to enhance the capacity of the employee. There is an expectation that practical information will be shared with colleagues with similar job assignments.

Leadership leave must be related to a leadership position held in a professional organization related to the certified regular professional employee's assignment. The District recognizes many employees are leaders in their respective fields, and that leadership contributions have value to the field of education and to their peers. This leave only applies to individuals in leadership positions. Examples include but are not limited to officership in professional organizations, sitting on a Board of Directors, or presenting at a conference.

The provision for one hundred sixty-seven (167) days of professional development leave per year and fifteen (15) days per year of leadership leave is understood to apply to the certified regular professional employees as a whole and not to each certified regular professional employee.

1. A certified regular professional employee requesting professional development or leadership leave will submit his or her request in writing, on the employee absence form prepared by the District, first to the building principal for approval or disapproval and then to the committee designated by the PFEA president for the committee's approval or disapproval. The committee's approval or disapproval will be noted on said form, and then returned to the certified regular professional employee's respective building principal.
2. Said application will be submitted to the committee no later than the 15th day of the previous month for leave the 1st through the 15th of the month that the day is to be used, and the 1st of the month for leave to be used on the 16th through the 31st of the month. Exceptions may be granted at the discretion of the committee.
3. The District may, at the request of the PFEA president, within its discretion, grant additional days of professional development or leadership leave in excess of the total one hundred eighty-two (182) days provided herein. Membership status in the PFEA or any other professional organization is not to be used as a basis for decision making.
4. The District and the PFEA agree professional leave is a money item; therefore, the PFEA's professional leave quota will not be reduced when certified regular professional employees who do not require a substitute attend professional meetings.
5. The term "professional meetings" will not include meetings of the PFEA, Idaho Education Association, National Education Association or affiliate organizations, except in cases where the meeting is a professional development course being delivered by the above-mentioned organizations.
6. The certified regular professional employee will make a brief presentation or report to their building staff at a building staff meeting, department meeting or grade level meeting within a month of attendance at the professional development class or training.

7. In certain circumstances such as substitute teacher shortages, certified regular professional employees will be eligible to be compensated for collaboration or professional development activities outside of the regular work day, following the guidelines above. Compensation will be in the same amount as would have been paid to a substitute, were the activities to be conducted during the regular work day. Upon completion of the said professional development the employee must submit a written summary of the activities to the principal.

Each certified regular professional employee is limited to taking no more than four (4) days of combined professional development and leadership leave per year.

ARTICLE 7

CERTIFIED REGULAR PROFESSIONAL EMPLOYEES LEAVE OF ABSENCE

The Board may grant a leave of absence for one contract year, without pay, for up to five (5) continuing contract certified regular professional employees in the District per year. Such request must have been received in writing by April 10 for any leave to be taken in the following school year. The date of April 10 can be waived by the Superintendent or his/her designee. No more than two (2) certified professional employees will be granted leave of absence from any one building per year unless extenuating circumstances arise which necessitate more than two (2) professional employees being granted leave per building. In such cases, the decision will be left up to the discretion of the Superintendent or his/her designee.

If, by April 10, more than five (5) leave requests have been received, the five requests coming from the certified regular professional employees with the most years of service to Post Falls School District #273 will be honored.

If the leave granted will terminate at the end of a school year, the certified regular professional employee must give written notice to the District of his/her intent to return to the District and the date of the return no later than April 10 immediately preceding the date of termination of the leave. The deadline of April 10 can be waived by the Superintendent or his/her designee. For all other leaves of absence granted pursuant to this article, the certified regular professional employee must give written notice to the District of his/her intent to return to the District and the date of the return at least thirty (30) days prior to the date of return.

The certified regular professional employee will not accrue benefits or seniority. However, if the leave of absence was taken to do educational research or to teach, the staff member upon return will be placed on the sequential step of the salary schedule s/he would have been on had s/he stayed in continuous service to the District.

The certified regular professional employee will be limited to two (2) one-year leaves of absence during his/her service in the Post Falls School District with the above guaranteed reinstatement. Additional leaves of absence will not guarantee reinstatement.

ARTICLE 8

PFEA LEAVE

The Board will provide forty-five (45) days of PFEA Leave. In addition to the forty-five (45) days of PFEA Leave, one (1) day per month will be granted to the PFEA President to attend to PFEA business. The PFEA will pay for the cost of substitutes for the leave used.

Leave will be requested by the certified regular professional employees in writing to the Superintendent on the employee absence form a minimum of three (3) working days before the leave is to take effect.

Requests for additional PFEA Leave exceeding the maximum allotment may be made in writing to the Superintendent for approval or disapproval.

Each elementary certified regular professional employee will have thirty (30) uninterrupted continuous minutes during each student contact day for a preparation period. The district will make every effort to preserve employee preparation time.

The certified regular professional employee's workday will not exceed 7 ½ hours on Monday-Thursday and 7 ¼ hours on Friday.

Flex time may be used by any certified regular professional employee. Flex time ensures that a certified regular professional employee is at school for a time period of twenty (20) minutes before the beginning of school and

twenty (20) minutes after school, with the balance of the time being used as flex time. It is recommended that each building establish its own check in and out system.

ARTICLE 17
GRIEVANCE PROCEDURE

The Board recognizes that problems arise from time to time and that constructive and equitable solutions to them are necessary to the welfare of all persons concerned. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise.

DEFINITIONS

1. Grievance: A written allegation of a violation of school district policy Series 400.
2. Grievant: Any certified regular professional employee of the Post Falls School District No. 273.
3. Days: The term “days” will be working days.

PROCEDURE

1. The grievant will present the grievance in writing to the grievant’s principal within ten (10) working days after occurrence of the grievance. If circumstances beyond the control of the grievant warrant an extension of time, the principal may extend the time but not to exceed additional ten (10) days. The principal shall present a written decision to the grievant on the grievance within five (5) days after receiving the grievance.
2. If the grievant is not satisfied with the decision of his/her grievance at Step 1, or if no decision has been presented within five (5) days, the grievant may present the grievance in writing to the Superintendent or the Superintendent’s designee. Such filing must be made within five (5) days after the decision from Step 1 or expiration of five (5) days from the date the grievance was submitted to the principal at Step 1. The Superintendent or Superintendent’s designee shall present a written decision to the grievant on the grievance within seven (7) days after receiving the grievance.
3. If the grievant is not satisfied with the response of the Superintendent or the Superintendent’s designee, the grievant may request a review of the grievance by a hearing panel but must do so within ten (10) working days from the date of the Superintendent or Superintendent’s designee’s decision, or the date such decision was due if not given. The panel will consist of three (3) persons, one (1) designated by the Superintendent, one (1) designated by the grievant, and one (1) agreed upon by the two appointed members for the purpose of reviewing the appeal. There shall be no new testimony or evidence, and the review shall be on the basis

of the record at Step 1 and Step 2. Within ten (10) working days following completion of the review, the panel will submit its decision in writing to the grievant, the Superintendent and the Board of Trustees. The panel's decision will be final and conclusive resolution of the grievance unless the Board of Trustees overturns the panel's decision by resolution at the Board of Trustees' next regularly scheduled meeting, which resolution shall then be final with no right of further appeal.

4. There shall be no reprisal of any kind against the grievant for reasons of his/her participation in the grievance process.

ARTICLE 18

REDUCTION IN FORCE

In the event the Board anticipates a reduction in employment in certified regular professional employees due to financial condition, decreased enrollment or other condition, the following procedures will be used. Layoffs will begin with the person with the least qualifications. Qualifications include:

- Certification
- Number of endorsements
- National Board Certification
- Highest degree held
- Additional credits
- Training/In-service provider
- Mentoring
- Seniority

If a certified regular professional employee's position is eliminated, the certified regular professional employee will be considered for retention by the District in a program for which the certified regular professional employee is qualified.

Notification in writing of a layoff will be given to each certified regular professional employee in accordance with provisions of Idaho law then in effect.

It is the responsibility of all certified regular professional employees who desire to be reemployed with the district to keep the District Administrative Office informed of their current mailing address, place of residence and telephone number.

The District will make a good faith attempt to utilize personnel whose jobs were lost due to a district financial problem as substitutes on a first priority basis.

If an individual that loses their job due to a district financial problem is called back to work, they will return to the district with the full rights to participate in the retirement program, received accrued sick leave and salary increments held on the date of being laid off.

ARTICLE 19

CONFLICTS

Should any article(s) or section(s) of this Agreement be found to be in conflict with either existing Idaho law or any law enacted after the ratification of this Agreement, said article(s) or section(s) will be deemed invalid. Such article(s) or section(s) of the Agreement which do not conflict with such laws will be valid and binding upon the parties to the Agreement for the life of the Agreement.

ARTICLE 20

SURVEYS AND STAFF INPUT

The District will survey the certified regular professional employees prior to April 30 of each year to determine their needs and preferences for in-service training. These needs and preferences will form the basis of each year's District-sponsored in-service program.

The District agrees to conduct an annual staff survey regarding the performance of building principals, assistant principals, and others who evaluate teachers. The district will consider input provided by the leadership of PFEA regarding the content of the survey questions.

PFEA representative(s) and building administrator(s) may meet on an ongoing basis to promote communication and collaboration.

ARTICLE 21
DURATION

This agreement will be effective for the 2022-2023 school year.

ARTICLE 22
VACANCIES AND TRANSFERS

All vacancies will be posted in all school buildings using the standard District posting notice.

All qualified, certified regular professional employees will be given the opportunity to apply in accordance with the posting notice and no position will be filled until all properly submitted applications have been considered.

Any certified regular professional employee who desires to transfer to another building will fill out the district transfer request form and submit to the Assistant Superintendent not later than April 10 of each school year. Only Category 3 and continuing contract teachers will be eligible for a transfer. No teacher who has been on professional assistance or probation during the past two years will be eligible to request a transfer. The district will attempt, in good faith, to grant all transfer requests when the qualifications align with the building needs.

Vacancies will be filled on the basis of the qualifications and experience of the applicant and when these and other relevant factors are equal, length of time in the District will be considered.

Any certified regular professional employee who receives a change in teaching assignment will be notified and will be released by the Board of Trustees from his/her contract if he/she so requests.
