**\*\*SPECIAL NOTE:** Non-Saturday testing is available only in remote areas or for students who cannot test on Saturday because of religious convictions. If you try to test standby for a Sunday or Monday test center, you must bring a letter from your cleric or a notarized statement to verify that your religious beliefs prohibit Saturday testing. You will not be admitted without it.

Please Note: When you search for a test center online, only Saturday test centers will appear automatically in your search results. You must look specifically for non-Saturday test centers. Non-Saturday test dates are underlined with a link to information about eligibility for non-Saturday testing.
