**Introducing our classroom Learning Management System**

# onCampus

onCampus is our Learning Management System that teachers use to organize and share educational resources, assignments, and grades with students and parents.

Each parent and student has their own login to access onCampus.

Teams, advisories, clubs, and activities can also use onCampus to communicate schedules, special events and results.
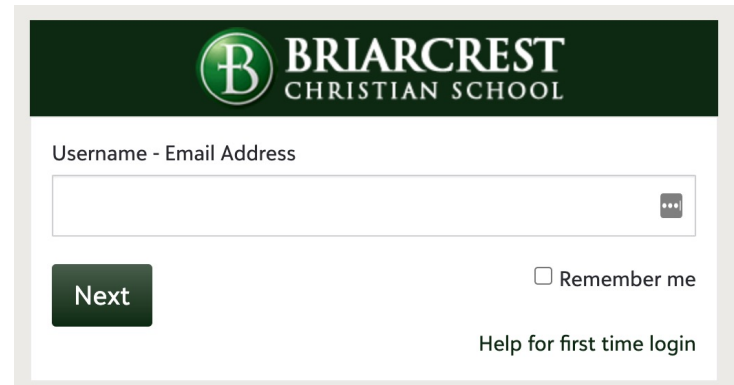

To learn more visit:  http://k12.blackbaud.com/products/oncampus/

# Login to onCampus

To begin, go to www.briarcrest.com and click on Login in the upper right corner.

**Login using your email address.**

- If this is your first time to login, please click here to complete the sign up process.

- If you need to reset your BBID password, you can request this from the Blackbaud sign-in page.

- If you need assistance, email techsupport@briarcrest.com

# Parent Resource Board

The Resource Board is where you will find important information and parent forms. Here you can find links to order a parking pass, update your contact information, and access information about the school.

# Navigating your students

For elementary classroom information and weekly announcements, the parent should select a student from their "Children" listing in the upper left hand of the menu bar. If you have 1 enrolled student, you will see a single name. Otherwise, you will see the word Children and a drop down that will list all of your children's names.

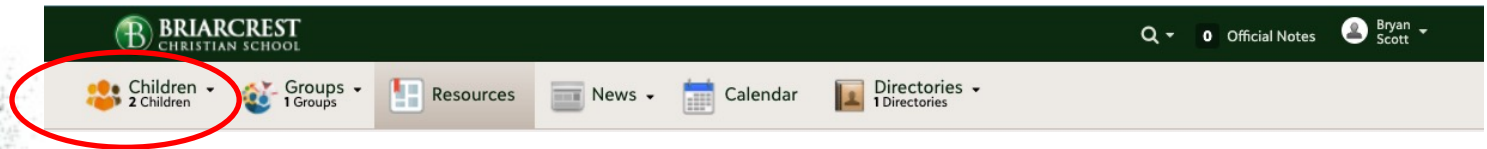

Click on a student name and you will be taken to their "Progress" page.
