

Security Personnel

Allen Community College does not have security officers, but works closely with local law enforcement to provide necessary security personnel at the Iola and Burlingame campuses. The Director of Student Life and the Vice President for Student Affairs will assist law enforcement personnel in the event of an emergency or crime.

Student Life staff are on call in the residence halls while students are on campus. Students can reach the On Duty staff member by calling 620-228-8258.
