BUDGET DESCRIPTION

FUNCTION CODES

FUNCTION 11 - INSTRUCTION

Activities having direct interaction between teachers and students. Expenditures that can be identified as being directly related to the instruction of pupils in a school classroom, home, hospital, and in any other learning situation are considered instructional costs. This function includes expenditures/expenses for direct classroom instruction and other activities that deliver, enhance or direct the delivery of learning situations to students.

FUNCTION 12 - INSTRUCTIONAL RESOURCES AND MEDIA SERVICES

This function is used for expenditures/expenses that are directly and exclusively used for resource centers, establishing and maintain libraries and other major facilities dealing with educational resources and media.

FUNCTION 13 - CURRICULUM DEVELOPMENT AND INSTRUCTIONAL STAFF DEVELOPMENT

Expenditures that are directly used to aid instructional staff in planning, developing and evaluating the process of providing learning experiences for students. This also includes expenditures/expenses related to research and development activities that investigate, experiment, and/or follow-through with the development of new or modified instructional methods, techniques, procedures, services, etc.

FUNCTION 21 - INSTRUCTIONAL LEADERSHIP

Expenditures/expenses that are directly used for managing, directing, supervising, and providing leadership for staff who provide general and specific instructional services.

FUNCTION 23 - SCHOOL LEADERSHIP

Expenditures/expenses that are used to direct and manage a school campus. Activities with a purpose of directing, managing and supervising a school.

FUNCTION 31 - GUIDANCE & COUNSELING SERVICES

Expenditures/expenses that are directly and exclusively used for assessing and testing students' abilities, aptitudes and interest; counseling students with respect to career and educational opportunities and helping them establish realistic goals. Also includes costs of psychological services, identification of individual characteristics, testing, educational counseling, student evaluation and occupational counseling.

BUDGET DESCRIPTION

FUNCTION 33 - HEALTH SERVICES

Expenditures/expenses that are directly and exclusively used for providing physical health services to students. This includes activities that provide students with appropriate medical, dental, and nursing services.

FUNCTION 34 – STUDENT (PUPIL) TRANSPORTATION

Expenditures/expenses that are incurred for transporting students to and from school.

FUNCTION 36 - COCURRICULAR/EXTRACURRICULAR ACTIVITIES

Expenditures/expenses for school-sponsored outside of the school day which are student and curricular related, but are not necessary to the regular instructional services. Intramural athletics, interscholastic competition, student organization and special interest activities.

FUNCTION 41 - GENERAL ADMINISTRATION

Expenditures/expenses that are for purposes of managing or governing the school district as an overall entity.

FUNCTION 51 – PLANT MAINTENANCE AND OPERATIONS

Expenditures/expenses for activities that maintain comfort, order, and safety in school buildings, on the grounds and in the vicinity of the school at all times. It also includes expenditures/expenses associated with warehousing and receiving services.

FUNCTION 52 - SECURITY AND MONITORING SERVICES

Expenditures/expenses that are for activities to keep students and staff surroundings safe, whether in transit to or from school, on a campus or participating in school sponsored events.

FUNCTION 53 - DATA PROCESSING SERVICES

Expenditures/expenses for Data Processing Services.

FUNCTION 61 - COMMUNITY SERVICES

Expenditures/expenses that are for activities relating to the whole community or some segment of the community.
