2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Bay Farm is committed to being the heart of our community bridging home and school. We provide a collaborative and inclusive environment where we value cultural and learning differences. Students enjoy the pursuit of personal and academic excellence as they become confident and compassionate citizens of our local and global communities. Between our knowledge-thirsty students, hardworking teachers, and involved PTSA, we have truly created a community that honors learning. We are utilizing Positive Behavior Intervention and Support (PBIS) aligned with restorative practices to create a safe and positive school climate. We have a thriving Coordination and Services Team (COST) and partnership with a community based mental health organization to support students' social and emotional well being as we have returned to in-person learning. Bay Farm has a thriving outdoor learning garden program promoting health and sustainability. Through collaboration with Green Schoolyards of America, we have 3 outdoor classrooms.

We are in the constant process of updating our technology by adding more one-to-one devices and training our teachers in instructional technology. These upgrades enable teachers to apply the latest instructional strategies in their classroom. Additionally, we are creating project-based lessons and implementing strategies to empower our students with inquiry skills. Together these changes will enable our students to meet and exceed the expectations of the Common Core Standards and 21st Century skills. We support the success of the whole child through our dynamic PBIS (Positive Behavior Intervention and Support) program for which we received a State of California Silver Award in 2019. Additionally, Bay Farm School was recognized as a National Green Ribbon School in 2016 for its continued excellence in providing recycling and outdoor education programs. Bay Farm School was also recognized in 2018 as a California Distinguished School. Through its ongoing partnerships with organizations like Stopwaste.org, it continues to be on the home front of creating sustainable systems and environmental education. When Bay Farm School opened its doors in the 1992–1993 school year, it adopted the motto “that it takes a whole village to raise a child.” Today, 29 years later, that hasn’t changed. This tight-knit community rallies around the needs of its children even in tough times. The success of our students is our number-one concern.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Our school is in good repair, according to the criteria established by the Office of Public School Construction. Our deficiencies are minor ones resulting from common wear and tear, and there are few of them. We scored between 90 and 99 percent on the 15 categories of our evaluation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Bay Farm School benefits greatly from its supportive parents. The school has a strong base of parent volunteers who actively participate, as art docents, and in our outdoor learning center. Parents are encouraged to join the PTSA and are elected to the School Site Council. Parents of English Learners are vital to our English Language Advisory Committee and to our outreach efforts on behalf of new families. During the 2021-22 school year parents have facilitated a robotics club, several academic clubs and opportunities for parents and students to volunteer in our beautiful outdoor learning gardens. In addition, parents volunteer daily to help with supervision at lunchtime and on the yard. If you would like to become a volunteer at Bay Farm School, please call the office at (510) 748-4010.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.01	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of students and staff is a primary concern of Bay Farm Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school Site Safety Plan was last reviewed and updated in September 2021 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year. During the 2012-13 school year a School Safety Task Force was assembled and met over the course of several months. Their task was to give a critical look to the school and offer short term and longer term goals that could be implemented to improve overall safety. Findings were discussed at community, staff, and PTA meetings to determine where to best look for support. In the Spring and summer of 2015, the district began safety upgrades to Bay Farm with some of the money that was received from the bond that was passed in November of 2014 which included the installation of a fence around the entire campus. Certificated staff supervise students before, during, and after school. The principal and noon supervisors oversee students during lunch and parent volunteers help with lunch supervision every day. There is a designated student drop-off and pick-up spot at the front of the school. Additionally, all visitors are required to sign in at the office and get a visitor's badge upon arrival.

2020-21 Types of Services Funded

All Alameda Unified School District (AUSD) schools are centrally funded for core services including general education, special education, and English Language Development and other English Learner services. Additionally, sites receive discretionary funding in the form of Local Control Funding Formula (LCFF) Base funding to serve ALL students and LCFF Supplemental funding to serve unduplicated students. Unduplicated students include English Learners and students who are socio-economically disadvantaged.

Sites utilize their discretionary funding in a range of ways and detail their specific activities and services in their School Plan for Student Achievement (SPSA). AUSD's SPSAs can be found at the following link:

<https://alameda.novusagenda.com/agendapublic/CoverSheet.aspx?ItemID=7109&MeetingID=362>

Services funded centrally via LCFF Supplemental Funds include components of the ELD program (including ELD/Literacy coaches), restoration of afterschool programming to schools with high unduplicated percentages, components of the Multi-tiered System of Supports (MTSS) program, and innovative program funds for schools with high unduplicated populations.

Schools identified as Title 1 receive additional funding for Professional Development and Parent Involvement. Schools in Program Improvement Status also receive Alternative Supports funding for additional academic intervention.

Professional Development

Site Professional Development (PD) in the start of the 2020-2021 academic year focused on culturally responsive practices in the classroom and Universal Design for Learning. All K-5 grade teachers were trained in Toolbox which is a SEL program to help students manage behavior and emotions. Middle School teachers were trained in Restorative Practices, which the elementary staff has already been trained. A focus this year has been cultivating opportunities for academic discourse in the classroom and this is a foundation of every staff meeting and PD session. In addition, we deepened our work focused on diversity, inclusion and systemic racism.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school’s local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs’ federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
