### K. BOARD COMMUNICATION

### L. SUPERINTENDENT COMMUNICATION

# M. ADJOURN INTO EXECUTIVE SESSION UNDER: ORS 192.660 (2)(d) – To conduct deliberations with persons designated by the governing body to carry on labor negotiations. Since 1997, labor negotiations between the board and union have been held in open session unless both parties agree to executive sessions.

The Lebanon Community School District Board of Directors welcomes you to our regular meeting. It is the Board's desire to hold an effective and efficient meeting to do the business of the District. In keeping with that objective the Board provides a place for AUDIENCE COMMENTS on each of its regular agendas. This is a time when you can provide statements or ask questions. The Board allows three minutes for each speaker. The following quote is instructive to the Board and its visitors.

"The Public Meetings Law is a public attendance law, not a public participation law. Under the Public Meetings Law, governing body meetings are open to the public except as otherwise provided by law. ORS 192.630 The right of public attendance guaranteed by the Public Meetings Law does not include the right to participate by public testimony or comment."

"Other statutes, rules, charters, ordinances, and bylaws outside the Public Meetings Law may require governing bodies to hear public testimony or comment on certain matters. But in the absence of such a requirement, a governing body may conduct a meeting without any public participation. Governing bodies voluntarily may allow limited public participation at their meetings."

Oregon Attorney General's Administrative Law Manual and Uniform and Model Rules of Procedure under the Administrative Procedures Act. Hardy Myers, Attorney General, March 27, 2000.

## Business Report By: Linda Darling, Business Director October 8, 2015

### Financial Report: (enclosure F-1)

The 2015-2016 Financial Board report included in this Board packet reflects all of projected revenue and expenditures for 2014-2015 and 2015-2016 along with the budgeted and spent or encumbered amounts for 2015-2016. The projected Ending Fund Balance for 2014-2015 is \$3,931,190 which is a slight decrease (approx. \$50,000) from the September Board Report. This figure will continue to change until audit in October. The amounts in 2015-2016 salaries and benefits will change some throughout the year but the majority of change is reflected in this report, since employees have selected their benefit plans and the Sept. payroll has been completed. The projected Ending Fund Balance (EFB) for 2015-2016 is \$3,877,310. There are many factors that impact this projected EFB, like staffing changes, contract conditions, and items required for district operations.

### **Budget Committee Opening:**

There is one 3-year term Budget Committee opening, Terry Deacon served her 3 year term (Jan 2013 – June 2015). I would like to propose the following timeline for filling this position:

- Post open positions in the paper (Oct. 2015) and webpage (Oct. Nov. 2015)
- Accept applications through November 30, 2015
- Board interview applicants and appoint new members Jan. 14, 2016

### Audit:

The week of Oct 12<sup>th</sup>, Accuity will be in the district testing our financial data; during their February visit they tested internal controls, grant processes, and many other things. With the information that they will gather and the testing, our 2014-2015 audit report will be completed in November.

### **AUDIENCE COMMENTS**

Retired Teacher Jennifer Walter expressed her concern with two items in the draft minutes. First she suggested a modification to the minutes under "Audience Comments" to reflect that she had requested a reiteration by the District that the Confederate Battle Flag or Swastikas not be displayed by students in the schools. Second she asked that the minutes under "Board Communication" be modified to reflect that Rob Hess made a commitment that the Confederate Battle Flag or Swastikas issue would go to the School Climate Committee and there was a time frame for reporting that back.

### PURSUING EXCELLENCE

#### 1. Report: School Improvement Plan/Tonya Cairo (Enclosure F-1)

Rob Hess explained to the Board that he asked two School Administrators per month to report their school goals to the Board. The District as a whole will also report its goals. Reports will be completed by the end of December.

Pioneer Principal Tonya Cairo reported on the Pioneer School Improvement Plan speaking to the following topics:

- 1) Enrollment/Mobility
- 2) New Staff
- 3) Current Testing/Easy CBM K-5, Maps 6-8

Liz Alperin questioned how following the district pacing guide works with students who are on a slower or faster pace.

Tonya Cairo explained that teachers should be able to take the assessments and see if students know the skills.

Liz Alperin questioned why target growths did not rise in some of the items.

Tonya Cairo explained that several reasons could be a factor such as several first year teachers and changes in assessments,

Mike Martin wondered if the benchmark is related to growth.

Tonya Cairo went over the chart and explained what the numbers meant.

Rob Hess pointed out that the goals should be a stretch but attainable so the numbers reflect that.

Mike Martin asked if the DOJO program uses a common language for staff and students.

Tonya Cairo pointed out that the matrix forces common language.

Mike Martin asked Tonya to share about school suspensions.

Tonya Cairo explained that students need to feel safe at school so physical confrontation is not tolerated. Students who are acting out are given many interventions (i.e. mental health, YST, adjustments, changes). The number of suspensions reflect many of the same students. Students are usually only expelled for drugs and weapons.

Jennifer Meckley said that she had contacted OSBA and got a response back from them stating that they do not recommend the language addition as it would lead to all kinds of interpretations.

Jennifer Meckley explained that in policy JECB the Board may decide which bracketed wording that they would like to use around accepting students on expulsions from other districts.

Liz Alperin would like to use the word "may" in JECB.

Russ McUne said that if students are on expulsion from another district our district may not want to accept them, so he would like it to be only in rare incidents that Lebanon take student's on expulsion if the Board uses the work "may".

The consensus of the Board was to use the word may.

Richard Borden called for the vote. The motion carried unanimously. .

### FINANCE

#### **BOARD OF EDUCATION TIME/DISCUSSION**

Richard Borden pointed out that the Board's next meeting is October 8, 2015 beginning at 6:00 p.m.

#### **BOARD COMMUNICATION**

Mike Martin questioned how Pioneer dropping out of NEU will affect other schools in the District.

Rob Hess explained that Pioneer was the last building still using NEU. The District is moving to AVID to give more instructional strategies support to teacher. He added that college type materials will still be seen in schools. H:\Kathy\Kathy Schurr\Superintendent's\BOARD\2014.2015 Board\M2.12.15 Board Meeting.docx (Enclosure I-1) *Board Meeting September 10, 2015* pg. 5

Tonya Cairo explained that it will not change the practice at Pioneer and they will continue to use their logo.

Liz Alperin said that she had heard rumors that the District was going to begin Student Athletic Drug Testing. She pointed out that the issues had not come to a Board vote yet.

Jennifer Meckley said that she attended one athletic meeting where drug testing was discussed, but the coach made it clear that the issue would come to the board for a decision. She did hear that at other athletic meetings, parents were given a survey to see if they agreed with drug testing or not.

Rob Hess assured the Board that more data and information on the Athletic Student Drug Testing would come to the Board for a decision before any implementation took place.

### SUPERINTENDENT COMMUNICATION

Rob Hess shared that the beginning of the school year is going smoothly and there is a feeling of more coherence. The District has 100 more students at this time then projected. The most increase is at Seven Oak and the High School. The lowest numbers are in kindergarten.

Rob Hess shared that later in the year Pioneer may come to the Board for thoughts on changing to a K-6 school as it is hard to run a middle school and AVID program at the K-8 schools with limited funds.

Bo Yates reported that a lot of technology was employed at school buildings during the summer. He shared that cooling units were put in high needs classrooms to make it more comfortable for them. He pointed out that due to the Budget Committee's foresight the transportation budget now allows for a long term outlook for bus purchases. He pointed out that allocations for maintenance projects have been very positive and additional work on district grounds was done to make sure they looked nice for the beginning of school.

Rob Hess shared that the District is looking at the possibility of going back to doing our own custodial services for all of our sites. The District is costing it out and will bring the issue forward at budgeting time.
