

Talented and Gifted Programs and Services **

A district written plan will be developed for programs and services beyond those normally offered by the regular school program. All required written course statements shall identify the academic instructional programs and services to be provided which accommodate the assessed levels and accelerated rates of learning in identified talented and gifted students. The superintendent will remove any administrative barriers that may exist which restrict a student's access to appropriate services and will develop program and service options as reflected in the district Talented and Gifted handbook.

The Board has established an appeals process for a parent or guardian to utilize if they are dissatisfied with the programs and services recommended for their student that has been identified as talented and gifted, and wish to request reconsideration. The appeal process is identified in Board Policy KL – Complaints and the accompanying administrative regulation.

The Board has established a complaint procedure to utilize if a person who resides in the district or a parent or guardian of a student attending school in the district has a complaint regarding the appropriateness of programs and services provided for a student identified as talented and gifted. See Board Policy KL – Complaints and the accompanying administrative regulation. The complainant may file an appeal to the Deputy Superintendent of Public Instruction under Oregon Administrative Rules (OAR) 581-002-0001 – 581-002-0023. The district shall provide a copy of these OARs upon request.
