

**Student Conduct\*\*** (Version 1)

The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district’s written rules, pursue the prescribed course of study, submit to the lawful authority of district staff and conduct themselves in an orderly manner at school during the school day or during district-sponsored activities.

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one’s actions and to maintain a productive learning environment. All staff members have responsibility for consistency in establishing and maintaining an appropriate behavioral atmosphere.

A student handbook, code of conduct or other document shall be developed by district administration, in cooperation with staff, and will be made available and distributed to parents, students and employees outlining student conduct expectations and possible disciplinary actions, including consequences for disorderly conduct. In addition, each school in the district shall publish a student/parent handbook detailing additional rules specific to that school.

Students in violation of Board policy, administrative regulation and/or code of conduct provisions will be subject to discipline up to and including expulsion. Students are subject to discipline for conduct while traveling to and from school, at the bus stop, at school-sponsored events, while at other schools in the district and while off campus, whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of rights of others. Students may be denied participation in extracurricular activities. Titles and/or privileges available to or granted to students may also be denied and/or revoked (e.g., valedictorian, salutatorian, student body, class or club office positions, senior trip, prom, etc.). A referral to law enforcement may also be made.

Students are prohibited from making knowingly false statements or knowingly submitting false information in bad faith as part of a complaint or report, or associated with an investigation into misconduct<sup>1</sup>.

The district will annually record and report expulsion data for conduct violations as required by the Oregon Department of Education.

<sup>1</sup> The district is prohibited from retaliating against any student “for the reason that the student has in good faith reported information that the student believes is evidence of a violation of a state or federal law, rule or regulation.” ORS 650.852.
