

## Section: Narratives - Needs Assessment

### Introduction

The findings of a recent study showed that there is a significant benefit to students who participate in out-of-school-time (OST) programs. In fact, the Return on Investment of Summer school Programs in Pennsylvania study determined that for every dollar invested in summer school programming for students there was a return of \$6.69 in potential benefits to students, including reduced rates for drop-outs, teen pregnancy, substance abuse, crime and delinquency ([Link PSAYDN.org](#)).

In accordance with the American Rescue Plan (ARP) Act and Pennsylvania Act 24 of 2021 (Act 24), the Pennsylvania Department of Education (PDE) will award approximately \$50,000,000 or one percent (1%) of Pennsylvania's ARP Elementary and Secondary School Education Relief (ESSER) State Reserve funds to support school districts, charter schools and cyber charter schools (collectively, LEAs) in the development and implementation of comprehensive after-school programs to address learning loss in response to the academic, social, emotional and mental health needs of students and subgroups of students impacted by COVID-19 public health emergency that supplement school programs and activities.

Act 24 requires that, when available, existing personnel shall be utilized by school districts, charter schools and cyber charter schools to staff programs and activities established with these grant funds.

Within 90 days of receipt of these allocations, school districts, charter schools and cyber charter schools must submit a three-part plan to PDE, that outlines the proposed use of the grant money, itemized by program and activity. This plan is part of a consolidated application that includes after-school programming, summer programming, and a comprehensive plan to address learning loss. The plan shall include:

- 1) A description of each program and activity
- 2) A narrative outlining the expected benefit of each program and activity
- 3) A budget for each program and activity detailing personnel and operating costs

PDE has developed the Accelerated Learning Toolkit, a significant cadre of resources and trainings, to support LEAs in the development of their plans. The Accelerated Learning Toolkit can be found [Link to Accelerated Learning Toolkit](#).

**Section 1 - Needs Assessment:** In this section, LEAs are asked to describe the impact of the pandemic on their students since March 2020.

### Indicators of Impact

1. Describe how the LEA identified students for inclusion in a summer school program. Include a brief description of the indicators used in the decision-making process.

In examining local and state assessment data, our low income students as well as our students with IEPs struggle to consistently perform at proficient levels in ELA and math. These challenges are due to, among other things, deficiencies in reading and math skills. As such, in

reviewing our aimswebPlus, PSSA, and PVAAS, data, the programming referenced in this sub grant is designed to ensure that these identified students have the academic supports needed in order to be successful in the Twin Valley School District through a one-week fun, engaging academic camp targeting skill deficiencies in reading and math.

**Section: Narratives - Summer School Program Questions**

**Summer School Program Questions:** In this section, LEAs are asked to describe the activities they have designed to provide summer school programming for their students.

- Identify the target student-group for the summer school program. Will the focus be on academic growth, social and emotional wellness, or some other factor to support student growth? For each group, provide specific strategies that were used or will be used to identify and measure impacts.

| Student Group                     | Area of Focus   | Number of Students Served | Provide specific strategies that were used or will be used to identify and measure impacts              |
|-----------------------------------|-----------------|---------------------------|---|
| Children from Low-Income Families | Academic Growth | 777                       | 1. Reading Workshop<br>2. Math Workshop<br>3. Addressing Skill Deficiencies to Prevent the Summer Slide |
| Children with Disabilities        | Academic Growth | 322                       | 1. Reading Workshop<br>2. Math Workshop<br>3. Addressing Skill Deficiencies to Prevent the Summer Slide |

- Describe the evidence-based resources that will be used to support student growth during the summer school program.

1. aimswebPlus Academic Screenings 2. PSSA Data 3. PVAAS Data

- Describe the staff that will provide the summer school program (i.e., internal staff or outside resources).

| Number of Staff Members | Internal/Outside Provider | Role                             |
|-------------------------|---------------------------|----------------------------------|
| 15                      | Internal Provider         | Summer Learning Camp Instructors |

| Number of Staff Members | Internal/Outside Provider | Role |
|-------------------------|---------------------------|------|
|-------------------------|---------------------------|------|

a. The LEA assures it understands it is responsible to offer the work to its internal employees prior to engaging outside entities.

b. The LEA assures it understands it is responsible to ensure that all summer school program staff hold the appropriate certifications for the program that is being delivered.

5. How will the LEA assess the success of the summer school program? Please identify the tool, frequency of use, and expected results.

| Tool Used to Evaluate Success                   | Frequency of Use          | Expected Results   |
|---|---------------------------|--|
| aimswebPlus Screener & Progress Monitoring Data | Once for the Week         | On Track to Meet Proficiency                                     |
| Attendance                                      | Daily Throughout the Week | 100% Attendance for All Learning Camp Participants               |
| Student, Staff, & Parent Surveys                | Once for the Week         | Honest Feedback Regarding the Effectiveness of the Learning Camp |

6. How will the LEA engage families in the summer school program?

The LEA will survey families of all Summer Learning Camp participants to gauge how beneficial it was for their child.

**Section: Budget - Instruction Expenditures**

Instruction Expenditures

**Budget**  
 \$46,600.00  
**Allocation**  
 \$46,600.00

**Budget Over(Under) Allocation**  
 \$0.00

Budget Summary

| Function           | Object         | Amount             | Description   |
|--------------------|----------------|--------------------|---|
| 1000 - Instruction | 100 - Salaries | \$18,000.00        | Salaries for 15 Summer Learning Camp Instructors                        |
| 1000 - Instruction | 600 - Supplies | \$6,600.00         | Instructional Supplies, Books, & Resources for the Summer Learning Camp |
|                    |                | <b>\$24,600.00</b> |   |

**Section: Budget - Support and Non-Instructional Expenditures**

Support and Non-Instructional Expenditures

**Budget**  
 \$46,600.00  
**Allocation**  
 \$46,600.00

**Budget Over(Under) Allocation**  
 \$0.00

Budget Summary

| Function                      | Object                         | Amount             | Description  |
|-------------------------------|--------------------------------|--------------------|--|
| 2700 - Student Transportation | 500 - Other Purchased Services | \$10,000.00        | Student Transportation To and From the Summer Learning Camp for One Week           |
| 3100 - Food Services          | 500 - Other Purchased Services | \$12,000.00        | Breakfast, Snack, and Lunch for all Summer Learning Camp Participants for One Week |
|                               |                                | <b>\$22,000.00</b> |  |
