

ST. JOHN'S PREP

Grade 7 and 8 Science Teacher

About St. John's Prep

St. John's Prep is an inclusive, Catholic, Xaverian Brothers Sponsored School for young men in grades 6 through 12. Founded on the Xaverian values of compassion, humility, simplicity, trust, and zeal, we educate students to be, do and stand for good in the world. We enroll approximately 1,500 students from more than 90 communities in Massachusetts, New Hampshire, and Maine.

Position Overview and Responsibilities

St. John's Prep seeks a science teacher for grades 7 and 8 for the 2022-2023 school year. Grades 7 and 8 science faculty are part of an interdisciplinary team and teach two sections of seventh grade and two sections of eighth grade science. The grades 7 and 8 science curriculum is based on the Next Generation Science Standards and engages students with inquiry and project-based learning in the classroom and laboratory setting. Faculty also serve as advisors to a group of grade 7 or grade 8 students. The Middle School program of study can be found [here on our website](#).

We are particularly interested in candidates with demonstrated effectiveness in interdisciplinary teaching, using technology as a vehicle for learning gains. The grade 7 theme is serve, focusing on group dynamics and community building with a particular emphasis on servant leadership. The grade 8 theme is "appreciate"—exploring multiculturalism and diversity with an emphasis on empathy and respect for human difference.

All members of the faculty are expected to give witness to the mission of St. John's, as well as to our identity as an inclusive, Catholic, Xaverian Brothers Sponsored School. In addition to classroom teaching responsibilities, St. John's encourages all members of the faculty to be involved in the life of the school beyond the classroom. The school offers a wide range of co-curricular, intramural, and interscholastic programs.
