

Vaccination Verification & Weekly Testing

California State Public Health Officer Order of August 11, 2021, requires Lodi Unified School District to verify the vaccination status of all staff members. Staff members who are not vaccinated or have an unknown status must complete weekly COVID 19 tests.

Scenario 1

Staff who previously verified vaccination record in Azova portal.

Good To Go

No further action is required.

Optional: You may add additional booster doses to your record.

Scenario 2

New staff or recently vaccinated who need to upload vaccination record to Azova.

Step 1. Verify EIN and Last name on Azova.
<https://lodischools.azova.com/verify>

Step 2. Create an account on Azova using @lodiUSD.net email address.

Step 3. Upload image of your vaccination card and provide appropriate dose details.

Scenario 3

Staff who need to test weekly.

by Friday of each week:

Step 1. Obtain COVID-19 Antigen test kit from administrator.

Step 2. Verify and create your account using @lodiUSD.net email address.*
<https://lodischools.azova.com/verify>

Step 3. Completed a scheduled or on demand video observed COVID-19 Antigen test using the Azova mobile app or at <https://lodischools.azova.com>

* Verifying and creating an account done once.

Instructional videos can be found on the Lodi USD's COVID-19 webpage at <https://www.lodiUSD.net/covid19protocols>

For assistance creating or logging into your account, uploading vaccination details or taking a video observation test, please contact Azova support via the Azova messaging app, email at support@azovahealth.com or directly at (844) 692-9682.

The AZOVA app and website adhere to the highest HIPAA, SOC 2 and HITRUST standards, ensuring that your healthcare data and COVID status is encrypted end-to-end.
