

Grade Level:	7th
Class Title:	Social Studies
Subject:	Social Studies
Class Description:	<p>In this class the student will gain understanding and applicable knowledge of civics, economics, geography, history and social studies skills appropriate to his/her grade level. The first part of the year is focused on a continuation of world history from sixth grade as students look at the geography, civics, and economics of major societies up through 1450. The second part of the year asks students to bring their understanding to their world today as they examine Washington State from 1854 to the present. The study of Washington State includes an examination of the state constitution and key treaties. While these two contexts may be very different, the purpose of studying these different regions and eras is the same: to develop enduring understandings of the core concepts and ideas in civics, economics, geography, and history.</p> <p>Topics of Study:</p> <ol style="list-style-type: none"> 1.
