

Roseburg Public Schools
Eastwood Elementary
2022-2023

Dear Eastwood Parents,

All school supplies for Eastwood Elementary students have been purchased and will be in the classrooms on the first day of school.

We ask that each student contribute \$15.00 to cover costs.

We believe you will find that to be a very affordable option for the purchase of school supplies.

The only items your child needs to bring is a backpack with their name in it and a pair of headphones - not earbuds.

Eastwood Elementary Staff
