**PLEASE READ CAREFULLY**

- Parking at Viewmont High School is a privilege. Students may park at school if they acquire a parking pass at a cost of \$5.00 per semester. **Students cannot share a parking pass.** Every student must purchase their own pass.
- All students applying for a parking pass must have all previous parking tickets paid and have no citizenship U's.
- Second semester parking passes will be issued at the cost of \$5.00, to students who purchased a pass previously and that qualify (as per the same terms listed above).
- **Student parking is on a first come first serve basis and the purchase of a parking pass does not guarantee a parking place.**
- Students parked inappropriately, without a current Viewmont High parking pass or in restricted areas (faculty, visitor, fire lanes, bus zone, handicap parking or parked outside the parking space) will be issued a \$15.00 parking ticket. Repeat violators may have their car booted or towed. The parking pass must be hanging on the rear view mirror, in clear sight and the pass number visible or the vehicle will be ticketed.
- Viewmont High School is not liable for lost or stolen property or vehicle damage in the parking lot. **Vehicles should be locked at all times and valuables should not be left in vehicles.** If there is damage to a student's vehicle or property taken, the student should immediately report it to the resource officer or an administrator.
- If a parking pass is lost or stolen the student will be responsible to report it to the office and purchase another pass, at a cost of \$5.00.
- If a student sells, copies or transfers ownership of a parking pass to another student, the parking pass will be revoked and an administrative "U" will be given.
- A "Range" parking pass authorizes a student to **park in the driving range only!**
- Any student with a "Range" pass **must have their vehicle removed from the driving range by 2:30 pm.** (More information on the back about the parking pass for the driving range)

I hereby grant permission to the school to inspect my vehicle if school officials believe it to be necessary and I will fully cooperate. I agree to obey ALL state traffic laws. Violations can result in a school or police citation.

**I HAVE READ AND UNDERSTAND THIS PARKING REGISTRATION  
DISCLAIMER AND AGREE TO ITS CONDITIONS.**

## Driving Range Parking/Passes

- Student parking will be available in the VHS driving range. Any student wishing to park in the driving range must obtain a "Range Specific Pass". A regular VHS parking pass WILL NOT authorize a student to park in the range. Any student parking in the driving range with a regular VHS parking pass will receive a parking ticket violation/fine. **ONLY driving range stalls are painted in blue**
- Students who purchase a "Range" pass can do so for \$5 in the main office. There are very specific rules and advantages to parking in the driving range:
- VHS will only sell the same number of "Range" passes as there are stalls in the driving range. This should dramatically increase the likelihood that students with a "Range" pass have an available parking stall.
- A "Range" parking pass authorizes a student to **park in the driving range only!**
- Any student with a "Range" pass **must have their vehicle removed from the driving range by 2:30 pm.**
- Any student that does not remove their vehicle by 2:30pm will receive a parking ticket violation/fine. If a student receives a violation, **their parking range privileges may be revoked.**
