

SCHS

2022-2023

OPEN HOUSE

Chromebook & Advisor

Students in 10th -12th grades should visit their advisor to pick up Chromebooks. 9th Grade students should visit the Media Center to check out their Chromebooks. Please see the FAQs section about 9th grade advisors.

Meet Your Teachers

SCHS teachers are excited to meet students and families. Students can access their schedules in Infinite Campus.

School Nurse

Visit the School Nurse to discuss your student's health needs and fill out any relevant paperwork.

Student Parking

Students who submitted the Parking Permit Google form and payment through Infinite Campus before July 26th may pick up their permit at the Student Parking table.

School Nutrition

Visit the School Nutrition department to learn more about the Meal Pay program as well as important lunch forms that need to be filled out.

Preparing all students for the opportunities and challenges of tomorrow.

Frequently Asked

QUESTIONS

1

Where do I find my schedule?

Your schedule is located in your Infinite Campus Student Portal account. All SCHS students will use their Infinite Campus Student Portal daily. If you do not know your account information, please email your Guidance Counselor.

2

Where do I go on the first day?

9th Graders report to the Tugaloo Center when they arrive to school on the 1st day.

10th - 12th Graders will report to their advisor.

3

How do I request a Schedule Change?

Student schedules are made based on the courses students requested during Course Registration as well as during the Summer Drop/Add period. If you requested a change during the summer Drop/Add period through the Google form but did not receive the request, that course is full or the change was not possible due to conflicts in your schedule. Because students have multiple opportunities to request the courses they want, we kindly ask that students only submit a request for needs and not preferences. If a change is necessary, students will be able to submit those on Friday, August 5th through the Google form in Infinite Campus only.

4

Can I get a Parking Permit later?

Yes. Students can request a Parking Permit at any time during the school year. The information is available on the school website.

5

I am a 9th grader. Why do I not have an advisor?

During the 1st semester, 9th graders will attend Freshmen Focus on Wednesdays during advisement. During this time, 9th graders will learn about important High School topics. At the end of 1st semester, 9th graders will receive an advisor and begin attending regular advisement sessions in January.

6

What if I have a dual enrollment class, and the college start date is later than ours?

You will report to the media center on the 1st day of school during the block that the college class or PSO is listed on your schedule. Further information will be provided during that time.
