

Payment through ted ou pix for nutrebem  
credits

Escola gourmet – EAB

Brasília, September 3rd 2021.

## How does it work?

. As we are operating through delivery on the Lower School (ECP and LS), to control this operation we need the Nutrebem system. And as Nutrebem fees were shown to be high we are now offering PIX and TED payments to recharge your child's Nutrebem account.

It will work as it follows:

- The PIX or TED transfer will be made to the addresses shown at the end of this document.
- After the transfer goes through, and e-mail **must** be sent with the receipt and the students' details (Name, Grade, and birthday) to [unidadeeab@escgourmet.com.br](mailto:unidadeeab@escgourmet.com.br)
- In case of more than one child, please specify on the e-mail how much credit goes to each child.
- Then, we will recharge your child's Nutrebem account with the credits specified on the e-mail.
- As simple as that.
