Date they approved fundraiser _____

GUIDELINES FOR FUNDRAISING

PHILOSOPHY

Student fundraising projects shall contribute to the overall educational experience of the students and not conflict with the instructional program.

Parent-Booster groups can raise up to 50% of the needed funds. Individual students and their families must share the responsibility for fundraising the other 50% of the funds. Families unable to raise their share of the funds can appeal to the parent-booster group for supplemental funds if necessary.

DEFINITIONS

- A. **FUNDRAISING:** Any organized activity that generates money or products For a school or school organization (see 513R).
- B. **CHARITABLE CAUSES:** Fundraising for the benefit of a local, state, or National organization.

GUIDELINES

- 1. All fundraisers must have written prior approval by a site administrator.
- 2. No fundraiser shall involve canvassing neighborhoods.
- 3. Any activity requiring extensive community fundraising involvement will have prior written approval by the Principal or Superintendent.
- 4. Schools should realize that duplicate sales running concurrently could negatively impact sales. Attempts to coordinate activities are encouraged.
- 5. Any parent organization and/or booster group functioning in support of the school will operate under these guidelines.
- 6. Games of chance (i.e. raffles, drawings, Grab or Cash, etc.) are prohibited.
- 7. Fundraisers involving commercial advertising will be approved by the Principal and Superintendent.
- 8. All existing board policies will be enforced (3450, 5135, and 5136).
