Birmingham Community Charter High School
17000 Haynes Street
Lake Balboa, California 91406

Dear Ari Bennett:

Based on all of the information provided by the school, including the school's progress report, the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) has determined that Birmingham Community Charter High School (9-12) meets the ACS WASC criteria for accreditation.

Birmingham Community Charter High School's accreditation is now reaffirmed through the end of the current accreditation cycle ending on June 30, 2024.

Accreditation status is conditioned upon Birmingham Community Charter High School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Birmingham Community Charter High School's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

A handwritten signature in black ink that reads 'Barry R. Groves'.
