

CUDAS CHRONICLE

Volume 17/Issue 2

For the parents, staff, students, and community of
New Smyrna Beach High School

September 2018

Dear Parents/Guardians:

“Your Legacy Starts Here!”

It has been an amazing opening and this school year is off to a great start, especially our focus on student safety and school security.

We are inviting you to work with us in making this school year the best yet. We will always do whatever it takes for our students to succeed and graduate. By always working together, we will maintain our school as the best in the district!

As the year progresses, ask your student to consider what he/she hopes to get from school this year – and what he/she intends to invest. There is a saying that “Anything worth doing is worth doing well.” During this school year, your student will invest literally hundreds of hours in his/her classes. Some will make that investment of time pay high dividends by applying energy and effort; others, sadly, will just wait. Education, like life, is not a spectator sport – one cannot score from the sidelines. Success goes to those who go after it, not to those who wait and hope for it.

Students, we challenge you this year, and every year, to demand the best from yourself with the same intensity that you demand the best for yourself. Make your “legacy” one to remember.

Thanks for all you do!

Sincerely,
Matt Krajewski
Principal

NSBHS Mission Statement:

Shout Out for the Flag Students!

The two students in the picture are Ryan Donnelly (left) and Ethan Lynn (right), our new principal, Mr. Krajewski is standing with them. These two students will be raising the flag each morning and taking the flags down in the afternoon after school. They are very committed to this important task and take it very seriously and I am proud of them. I asked them a few questions and here are their answers:

Ryan states that he wants to join the Marines when he graduates high school. His favorite subject in high school is Algebra and he enjoys weightlifting. He grew up in Pennsylvania and when he gets out of the military he would like to pursue law enforcement as a career.

Ethan is also going to join the Marines after high school. His favorite subject in high school is science and he also enjoys weightlifting. An interesting fact about Ethan is that he has been working on motors since he was 4 years old. When he exits the military, he would like to pursue a career as a gas/diesel mechanic and open his own shop one day.

I am very appreciative to have two very diligent students step up and commit themselves to raising and lowering the flags every day for the school, thank you Ryan and Ethan.

Join Interact

The INTERACT CLUB will meet on Thursdays during lunch and office hours in room 6-107. Dues are \$10.00. All are invited and welcome. Come make new friends and discover ways to earn service hours.

Interact is Rotary International's service club for high school students. NSBHS's Interact club is given support and guidance by New Smyrna Beach and Edgewater Rotarians. Members of Interact have the opportunity to participate in many community service projects which can further school, local, national and international understanding and good will. Some (but not all) of their other projects are Beach Clean Up, RISE AGAINST HUNGER, Business Expo helpers, volunteering at the Boys and Girls Club and Relay for Life.

Through these and other service activities, Interactors learn the importance of developing leadership skill and integrity.

Demonstrating helpfulness and respect for others, understanding the value of individual responsibility and hard work and advancing international understanding and goodwill. The clubs motto is "SERVICE ABOVE SELF". Interactors are encouraged to consider the 4 way test: "of the things we think, say or do..."

- Is it the truth?
- Is it fair to all concerned?
- Will it build good will and better friendships?
- Will it be beneficial to all concerned?"

Twelve Angry Actors Take the Stage

The New Smyrna High theatre department is proud to present Reginald Rose's classic courtroom drama "Twelve Angry Jurors", adapted for the stage by Sherman Sergel. The play concerns the deliberations of the jury of a homicide trial where a dozen "men with ties" decides the fate of a teenager accused of murdering his abusive father. At the beginning, they have a nearly unanimous decision of guilty, with a single dissenter of not guilty, who throughout the play sows a seed of reasonable doubt.

The show will run from October 11-13 at 7pm in the NSBHS Auditorium. Tickets are \$10 for general admission, \$5 for students and faculty are free.
