

TECHNICAL CAREERS

(Apprenticeship, Associate's Degree, Advanced Certification, Experience, etc.)

- Automation Technician
- Calibration Technician
- CNC Programmer
- Engineering Technician
- Field Service Engineer
- Industrial Machine Mechanic
- Laser Cutter Technician
- Maintenance Manager
- Machinist/Welder
- Plant Maintenance Machinist
- Robotics Programmer
- Water Jet Technician

PROFESSIONAL CAREERS

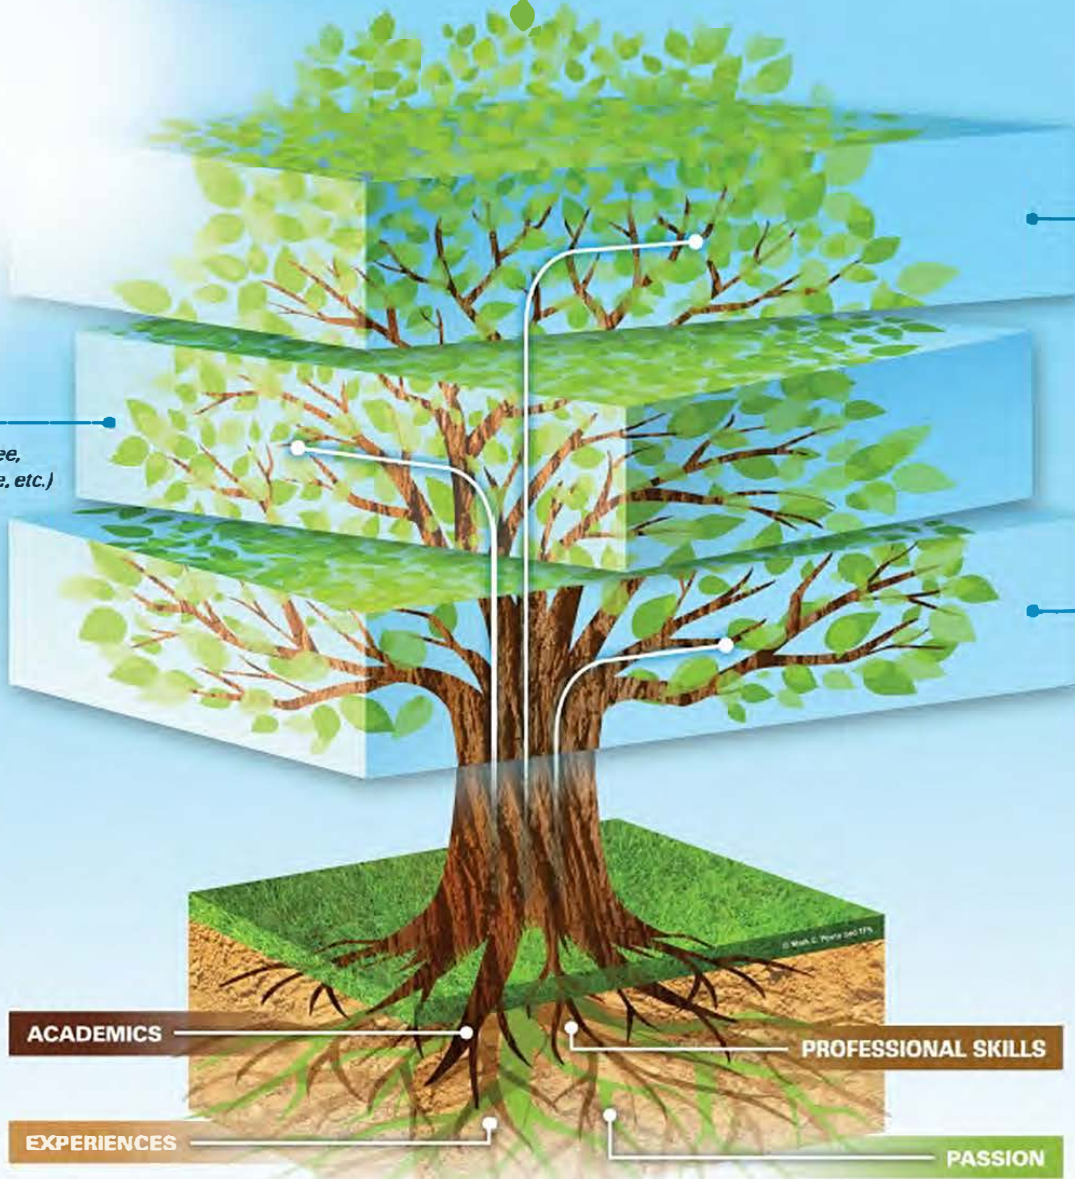

(Bachelor's, Master's, Ph.D., Specialized Training, Experience, etc.)

- Assembly Supervisor
- CAM Software Designer/Specialist
- CNC Manufacturing Engineer
- CNC Prototype Engineer
- Manufacturing Engineer
- Mechanical Engineer
- Part Design Engineer
- Production Engineer
- Quality Assurance Inspector
- Robotics Engineer
- Safety Engineer
- Welding Engineer

ENTRY-LEVEL CAREERS

(with Program Completion)

- CNC Operator
- CNC Setup/Technician
- Drill Press Operator
- Fabricator
- Inventory Control Specialist
- Machinist/Machinist Apprentice
- Maintenance Technician
- Materials Handler
- Quality Assistant
- Stock Cutter/Handler
- Tool & Die Repair Technician
- Tool Maker Apprentice
