

Meal Deals

We offer the choice of a Meal Deal Lunch for 5th-12th grade. It gives them more choices of hot lunch meals. These are all Reimbursable meals. **The Meal Deal Lunch is the same price as the regular lunch.** If you are receiving free or reduced meals, the Meal Deal is included as a choice for all students. One serving line will be the Item on the menu and the other side will be the Meal Deals. We do not have meal deals on Salad Bar days. The salad bar will be the other choice on those days. Quick pick snacks are only offered to students in 7th-12th grade. K5-4th Grade will be offered a choice of a Peanut Butter and Jelly Uncrustable.

High School offers a choice of a panini sandwich 1 day a week in place of the Hamburger, Cheeseburger and Chicken Patty meals.

Food service staff will prepare a determined amount of meal deals every day and when the supply is exhausted, students will have the choice of the regular menu item. We will do our best to estimate preparation so that doesn't happen.
