NOTE: MN Statute 120B.30 has placed local testing time limitations on districts. Grades 1-6 = 10 hours per school year and Grades 7-12 = 11 hours. Assessments not included are MCA, MTAS, ACCESS, Alternate ACCESS, AP exams, ACT, Career Interest Inventories, NAEP, Special Ed and EL testing. Schools and Districts determine what constitutes a local assessment.

KEY

√ Indicates testing at these grades is required

8 Computer Delivered Format

[] RDLS will use MAP Reading in Spanish for Grades K-2 and MAP Math in Spanish for Grades K-5

a Title III ELL only assessment: ACCESS (from World-class Instructional Design & Assessment Consortium - WIDA). Online administration except Kindergarten ACCESS, Alternate ACCESS (Special Ed), and grades 1-5 writing domain, which are paper administrations.

* ACT Test (college entrance exam) administered to all high school juniors during the school day.

** For grades 9-12, the Science MTAS should be administered when the student completes instruction in the life science standards as determined by the IEP team.

*** High School MCA-III Science will be administered to all students completing Biology/Life Science credit in the current school year (grades 9-12).
