Home Access Center

Parkland School District is happy to provide you with **Home Access Center** which offers a secure web-based opportunity to track your student's attendance and academic performance. In addition, Home Access Center is the sole method by which your student's transportation, homeroom, house team and schedule will be communicated to you later this summer.

Instructions to create a Home Access Center account are below

To create an account:

- Go to: <https://pldhomeaccess.spihost.com>
- Click the link called **Click Here to Register for HAC**
- Enter your first and last name, city, and zip code
- An email will be sent which contains a registration link, an access code and further instructions.

For support please email: hac@parklandsd.org
