

CHS PARKING RULES AND REGULATIONS

I. TRAFFIC ACCIDENTS ON SCHOOL GROUNDS

Any student involved in a traffic accident on school grounds is required to notify CHS security immediately to secure assistance with the exchange of information.

CONSEQUENCES:

Student/principal conference, detention, Extended School Detention, out-of-school suspension and/or loss of driving privileges.

J. STUDENT PARKING

Students who drive to school and park in the student parking areas are required to purchase and display from the rear view mirror an official grade-appropriate current year parking permit. Students are prohibited from parking in the front of the building/visitor lot, teacher parking lots and athletic lot. In the event a student loses his/her pass, another pass will have to be purchased.

The parking permit grants the student the privilege to park a vehicle on school property with agreement and acceptance of the following conditions and payment of the permit fee.

1. The vehicle may park in student parking areas only.
 2. Student vehicles are not permitted to be parked in the Band Lot after 3:10 p.m. on days during which there is any scheduled band activity.
 3. Students may not have in any vehicle parked on school property any alcohol, drugs, (except prescription medication for which a school medication form has been filed with the administration), tobacco products, weapons, knives (except knives or other cutting objects approved for usage in a class taken by the student), other items which students are prohibited from having on school property under the rules, regulations and/or policies of the school or other items deemed by the administration to be detrimental to the health and safety of students, faculty, staff or administrators.
 4. The Centerville City School district, its board members, administration, staff and employees is/are not responsible for damages to this vehicle while on school property or for the loss of any personal property from such vehicle while on school property.
 5. The school administration has the right to search and/or inspect vehicle(s), on school grounds, when there is reasonable suspicion that the vehicle contains an item(s) described in above stated item #3.
 6. The student to whom the permit for the parking of the above vehicle is granted shall be responsible for all items found in the vehicle.
 7. Any illegal or prohibited items found in a vehicle may be confiscated and will result in appropriate discipline of the student in accordance with applicable school policies and may result in prosecution.
 8. In performing any search/inspection of any vehicle, school administrators may utilize police officers and devices or animals trained in locating particular items.
- NOTE: Any student who refuses to cooperate with the administration's request to search a vehicle will be considered "defiant" and subject to the consequences for defiance outlined under Rule "S."

A parking permit will be issued only after a student submits a completed online application which is electronically signed by both the student and parent/guardian. After arriving at school, students are not to be in or around any automobile until they are dismissed from school, except when they are driving to and returning from lunch. Students found in automobiles at any time during the day except upon their immediate arrival and/or immediate exit to and from the parking lots will be charged with a violation of the Parking Policy. All student vehicles are to be parked within the designated spaces reserved for students. Student parking is not allowed in the front or the side faculty lots, or on the lawn around the building. Students violating the parking privileges will be issued the following consequences.

CONSEQUENCES:

Student-Principal conference; Detention; Extended School Detention; revocation of driving/parking privilege; out-of-school suspension.

K 1. OPERATION OF MOTOR VEHICLE

Safe driving, a speed of no more than 20 miles per hour and following the mandated ONE-WAY traffic pattern must be observed on school property.

Pedestrians are to be given the right of way at all times. Students observed by staff or security may be issued the following consequences.

CONSEQUENCES:

Extended School Detention; multiple offenses or severity may result in revocation of driving/parking privilege, out-of-school suspension.

K 2. SCHOOL RELATED BUSINESS TRANSPORTATION: All students and or groups leaving the school grounds during the school day for school related business are expected to be transported in school provided transportation vehicles. All exceptions to this policy must have a "Parent Request for Student Travel" form on file in the Central Unit Office for the current school year. A copy of a valid Ohio driver's license and a copy of the proof of automobile insurance must accompany this request form. This request must be submitted to the high school principal for approval before any exceptions are made to the transportation policy. All requests will be judged on the basis of a direct connection to a CHS approved day school class requiring business off the school grounds.

CONSEQUENCES:

Extended School Detention; multiple offenses may result in revocation of driving/parking privilege; out-of-school suspension.

N. LUNCH RULES AND REGULATIONS

Leaving campus during the lunch period is a privilege, not a right. Only juniors, seniors, and sophomores with a valid driver's license may leave the campus during the 50-minute lunch period without school permission. Sophomore drivers may not have any passengers with them, nor may they leave in a car with juniors or seniors. It is highly recommended that those students who are permitted to leave campus during lunch communicate with their parent(s) if they plan to do so. Students leaving the campus during lunch must travel by automobile to exit the campus. No students are allowed to walk off the school grounds unless permission is obtained from one of the unit offices. Under no conditions are freshman students allowed to leave the campus unless a written request and permission from a parent or guardian has been approved by the student's unit office. Any junior or senior transporting freshman and/or sophomore students off school grounds without permission during lunch will be assigned ninety (90) days closed lunch and may not leave campus. Failure to follow these rules may result in a ninety (90) day closed lunch. Disruptive behavior on or off school grounds during lunch may result in loss of the 50 minute lunch period and assignment to lunch time study hall and other consequence options

CONSEQUENCES:

Conference with student; parent notification; placement in confined lunch study hall; loss of driving privileges; Extended School Detention; out-of-school suspension; referral to the Superintendent of Schools with recommendation for expulsion.
