Employee Agreement for Acceptable Use of the District's Technology Resources

Note: The District's terms for acceptable use of the District's technology resources are available on the [District's website](#).

You are being given access to the District-provided technology resources listed below. It is important that you read the applicable District policies, administrative regulations, and this agreement form. [See policies CQ, CQB, and DH, and provisions on use of electronic media in the employee handbook.]

Please contact the *Technology Department at 512-430-6015* if you have questions or need help understanding this material.

The following guidelines apply to all District networks, email accounts, devices connected to the District's networks, and all District-owned devices used on or off school property, whether connected to the District's network or connected through a personal data plan or other means of access.

Additionally, the District prohibits harassment through electronic means regardless of the device used, the network used, or the location of use. [See District policies DH, DIA, and FFH]

Inappropriate use of the District's technology resources may result in suspension or revocation of the privilege of using these resources, as well as other disciplinary or legal action, in accordance with applicable District policies, administrative regulations, and laws.

You are being given access to the following technology resources:

- A District email account, including access to cloud-based (online) document storage and collaboration space (*Google Workspace for Education Fundamentals*);
- District computer hardware, software, and printers on your school campus;

Please note that the internet is a network of many types of communication and information networks. It is possible that you may run across some material you might find objectionable. While the District will use filtering technology to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use.

If you are being issued a District-owned technology device that can be used off campus, you will be given additional materials addressing the proper use, care, and return of these devices.

Rules for Acceptable Use

Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected annually and serve three-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

Mr. Troy Zinn, President
Mrs. Julia Cardona, Vice-President
Mrs. Amy Casas, Secretary

Mr. Jason Barcak
Mrs. Janice Keen
Mrs. Lindsey Lillard
Mr. Charles Miles

The board typically meets at the Rockdale ISD Conference Center the third Monday of each month at 5:30 p.m. In the event that large attendance is anticipated, the board may meet at another location announced prior to the meeting. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website, outside of the administration building, and on each campus at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Rockdale ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Tiffany Whitsel, Assistant Superintendent, 520 W. Davilla, Rockdale, TX, tiffany.whitsel@rockdaleisd.net or 512-430-6000. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Tiffany Whitsel, Assistant Superintendent, 520 W. Davilla, Rockdale, Texas, Email: tiffany.whitsel@rockdaleisd.net or 512-430-6000

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district's website: www.rockdaleisd.net/Careers > **Job Postings**

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts

Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed Online or copies will be provided upon request.

Noncertified Professional and Administrative Employees

Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are not employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Noncertified Professional and Administrative Employees

Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a Chapter 21 probationary or term contract such as Technology Director.

Paraprofessional and Auxiliary Employees

All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Department in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Human Resources when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Human Resources if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Noninvestigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Human Resources at 512-430-6000.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued

by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Human Resources by the last day of August of the current school year.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, Online training regarding seizure disorder aware-ness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA(Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by no later than the last day of the school year. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by Superintendent and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the

instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation for additional information.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact Tiffany Whitsel, Assistant Superintendent at tiffany.whitsel@rockdaleisd.net or (512) 430-6000.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact Tiffany Whitsel, Assistant Superintendent at tiffany.whitsel@rockdaleisd.net or (512) 430-6000 to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information

regarding the professional qualifications of their child’s teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Human Resources at 512-430-6000.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy DN series

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Teachers in Rockdale ISD who meet the following qualifications may be considered for a less than annual appraisal. A teacher who receives a full appraisal less than annually must receive a full appraisal at least once during each period of three school years.

- Currently be on a term contract in Rockdale ISD
- Have taught three years in Rockdale ISD
- Not currently in a data collection phase for Teacher Incentive Allotment
- Did not receive a rating of Developing or Improvement Needed on any of the sixteen dimensions

- The performance of teachers' students as outlined by each campus principal to include one of the following:
 - Student learning objectives;
 - Student portfolios;
 - Pre- and post-test results on district-level assessments; or
 - Value-added data based on student state assessment results

In a year in which a teacher does not receive a full appraisal due to meeting the requirements identified by Rockdale ISD, a teacher shall participate in:

- The Goal-Setting and Professional Development Plan process
- The performance of teachers' students
- A modified end-of-year conference that addresses:
 - The progress on the Goal-Setting and Professional Development Plan.
 - The performance of teachers' students
 - The following year's Goal-Setting and Professional Development Plan.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Rockdale ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from central office at 512-430-6000.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (*See Overtime Compensation*)

All employees are able to view their salary in Skyward throughout the school year. Work schedules are provided by supervisors by September 15. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Payroll Department or the Human Resources Department at 512-430-6000 for more information about the district's pay schedules or their own pay.

Paychecks

All professional, salaried, and hourly employees are paid monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

Employees are paid on the 25th of each month. If the 25th falls on a weekend or holiday, payday is the last workday prior. Leave and earnings statements are available on-line through Skyward Employee Access at www.rockdaleisd.net/staff/links >Skyward Finance (payroll).

Non-exempt, hourly paraprofessional personnel will receive their first paycheck based on actual hours/days worked taken from time sheet submissions. Payroll cutoff date will be one week prior to the 25th of the month for the first month of employment. The balance of the hourly paraprofessional employee's compensation will be annualized over the remaining months in the school fiscal year and will be paid monthly on the 25th of the month. All other hourly employees are paid by timesheets according to the appropriate pay schedule and are paid monthly on the 25th of the month or if the 25th falls on a weekend or holiday, payday is the last workday prior.

All exempt employees and hourly paraprofessional employees will be paid over 12 months. Only with the approval of the superintendent will requests for a May pay-off be honored.

All eligible *10-month* staff new to Rockdale ISD may request to be paid over 13 months for the first year of employment. This provides a paycheck in August to help alleviate financial strain. Requests must be made in writing. The 13 Month Pay Request form must be signed by the new staff member and submitted to the Payroll or Human Resources Department no later than July 31, 2023. All employment documentation must be complete before approval by central office is granted.

The schedule of pay dates for the 2023-2024 school year is as follows:

Creditable Years of Service

Career and technical education (CTE) teachers may be granted additional years of placement credit for work experience that is directly related to the career and technical field in which they are currently teaching based on committee determination.

Credit above the two years of work experience requirement as defined by state regulation may be granted in the following manner:

- 1 year of placement credit on the teacher scale for every 1 full year of related experience up to 10 years (“1 for 1” credit); and
- 1 year of placement credit on the teacher scale for every 2 full years of related experience for more than 10 years up to the hiring schedule maximum (“1 for 2” credit).

Example: Marketing teacher with 12 full years of previous public relations and marketing experience. 1 for 1 credit up to 10 years = 10 years, 1 for 2 credit for years 11 and 12 = 1 year, for a total of 11 years of credit. For more information about CTE creditable years of service please contact Tiffany Whitsel, Assistant Superintendent at tiffany.whitsel@rockdaleisd.net or (512) 430-6000.

Certified teacher aides. Beginning with the 2004–2005 contractual year, a certified teacher aide who subsequently attains initial classroom teacher certification may count up to two years of full-time equivalency of direct student instruction for salary increment purposes. Such experience must be verified on the teacher service record form or a similar form containing the same information. A teacher aide who received a teaching certificate or was placed under a permit prior to the 2004–2005 contractual year will not qualify for the additional years of service on the minimum salary schedule under this section.

Employees with previous teaching experience may claim experience for salary increment purposes. Creditable years of service will be determined by human resources as defined by state regulation at the time of employment. Creditable years of service will be from an accredited institution in accordance with the TEC 153.1021

New hires will be paid at zero (0) years of experience at the respective pay scale until all service records are received and validated. Only the relevant experience pertaining to the position will be granted. It is the employee’s responsibility to request the service record from the former school district or institution in order to get credit for salary placement purposes.

General Pay Increases

Eligibility for General Pay Increase

Employee salaries and wages will be reviewed annually for adjustment. General pay increases are given to employees employed at least 90 days the year prior to reward continued service to the district. To receive a general pay increase, an employee must be in a paid status or on an

approved leave of absence at the time of issuance of the first payroll reflecting the pay increase.

Pay Increase Budget

The Superintendent will recommend a budget amount for general pay increases as part of the annual budget process. Budget recommendations for general pay increases will be based on available revenue, competitive job markets, and district compensation objectives. Employee pay increases will be based on the annual budget approved by the board.

Automatic Payroll Deposit

Employees are required to have their paychecks electronically deposited into their bank account, unless they provide documented exceptions. Employees must complete the district's direct deposit form and submit one voided check for the account in which the pay is to be deposited. Direct deposit forms are available on the district website. Cancellation of direct deposit must be done in writing and submitted to the payroll office

Employees can have their paychecks electronically deposited into a designated account. It is necessary for employees to notify payroll by the 4th of each month to activate this service or to make changes. Contact the payroll department at 512-430-6000 for more information about the automatic payroll deposit service

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and other deductions that employees may elect such as Milam County United Way, Blue Gold Scholarship Fund and Tiger Learning Center tuition. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments. Employees are not entitled to any funds the district overpays. An agreement between an employee and the district must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. Saturday and ends at 11:59 p.m. Friday.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.
- No accumulation will be allowed for time worked in increments of less than 15 minutes.
- Employees should avoid manual entries in the timekeeping system except with supervisor approval.
- All accumulated comp time will be paid at the end of each pay period.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor must give approval. Both the employee's supervisor and the superintendent must approve out-of-state

travel. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage. Requests for reimbursement must be made within 30 days of the travel. Requests for reimbursement will not be accepted if alcohol is included on the receipt.

Health, Dental, and Life Insurance

Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the payroll and benefits specialist at 512-430-6000 for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for life, dental, vision, dependent health insurance, and other types of insurance offered through the district's employee benefit cooperative (such as disability, cancer, accident, etc.). Premiums for these programs can be paid by payroll deduction. Employees should contact the district benefits coordinator at 512-430-6000 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period. New enrollment or changes will be effective September 1. The plan year is September 1 through August 31.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from CAS – Claims Administrative Services, effective September 1, 2023 through August 31, 2024.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the Principal on the campus where the injury occurred or your supervisor. An "Employee's Injury Report" form must be completed by the employee and signed by a witness or supervisor and turned in to the business office within 24 hours of the incident or knowledge of the incident. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits* for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Chief Financial Officer at 512-430-6000.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and

the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the payroll department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov). See *Employment After Retirement* for information on restrictions of employment of retirees in Texas public schools.

Other Benefit Programs

Meal Charges:

Staff members may pre-pay for school lunches utilizing the point-of-sale lunch account system. Lunches may be pre-paid daily, weekly, monthly, or even annually. Money may be deposited directly at the school cafeteria or online. Online payments may be made by setting up an account on www.myschoolbucks.com, where you can make deposits using a credit/debit card, monitor accounts, and even set up low balance reminders.

While the food service department discourages lunch charges, an occasional emergency may make it necessary. Accounts are to be settled at the end of each month after payday. Once charges reach \$50, no additional charges will be accepted into the account. Outstanding balances will be deducted from the last paycheck of each semester.

Tiger Learning Center (TLC):

Rockdale ISD offers childcare and learning opportunities to children from age 6 weeks through entrance into a Pre-K program. Enrollment is open to parents, grandparents, and relatives of all Rockdale ISD staff. Enrollment is offered to children of students in Rockdale ISD as well. TLC currently employs a full-time director and child care providers. Each child is provided individualized lesson plans to encourage appropriate growth and development during these crucial years.

The program runs from August 1- June 30. Holidays are in accordance with the Rockdale ISD school calendar. The hours are 7:00 am to 5:00 pm. Tuition is \$30 a day for infants and \$25 a day for toddlers/preschoolers. There is a \$5 a day reduction for the 2nd child in the same immediate family. We accept Child Care Services (CCS) payments through the Workforce Commission and will assist applicants with the application process.

These amounts are payroll deducted over an eleven-month period (August – June) of each year. Employees new to Rockdale ISD must pay August tuition with a personal check or make arrangement for payroll deductions to begin in September

Leaves and Absences

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should contact the Human Resources Department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in half day or whole day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local leave.
- State sick leave accumulated before the 1995-96 school year.
- State personal leave

Use of extended sick leave and sick leave pool days shall be permitted only after all available state and local leave has been exhausted.

Employees must follow district and department or campus procedures to report or request any leave of absence (AESOP or Skyward Time Off) and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Blackout Days. All 10-month staff will be subject to the Blackout Days calendar. Dates "blacked out" are considered days that would cause a hardship on instruction if staff members are out and/or where substitutes are customarily difficult to find. All absences on these days must be specifically approved by the employee's immediate supervisor before submitting in Aesop. Excused absences for illness on blackout days will require a doctor's note. For any unexcused absence on these days, the employee will be docked a full-day's pay.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.

- Parent, stepparent, parent-in-law, or another individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee’s household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA(LEGAL).

Medical Certification. Any employee, who is absent more than five days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee’s fitness to return to work.

The district may require medical certification due to an employee’s questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee’s serious health condition, a serious health condition of the employee’s spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family Medical Leave Act (FMLA) will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee’s unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor in advance of the anticipated absence.

Discretionary personal leave may not be taken for more than three consecutive workdays. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Dock Days. Employees shall be required to use all paid leave before unpaid leave will be considered. Principals/directors do not have the authority to approve absences for staff members who have exhausted all accrued leave. Requests for unpaid leave must be made in writing to Human Resources at least 10 working days prior to use and shall outline the purpose and length of the leave. There is no right to take unpaid (sometimes called "dock day") leave. This is absence without leave and becomes a disciplinary matter if taken without approval from Human Resources. In the case of emergency, written requests must be sent to Human Resources as soon as the employee is aware of the need for leave.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family

- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

Personal Leave. All full-time employees shall be granted five days of local personal leave per year to use under the same terms and conditions as state personal leave. Employees may choose the order in which to use their leave. Local leave is cumulative.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, local personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of local personal leave the employee used beyond his or her pro rata entitlement for the school year.

Extended Leave —Professional Employees. After all available state and local leave days have been exhausted, a professional employee shall be granted in a school year a maximum of 20 leave days of extended sick leave to be used for the employee's personal illness or injury, including pregnancy-related illness or injury, or for absences related to the illness or injury of a member of the employee's immediate family.

To be eligible for extended sick leave, the employee shall have been absent at least five consecutive workdays.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

The average daily rate of pay of a substitute for the employee's position shall be deducted for each day of extended sick leave taken, whether or not a substitute is employed.

Leave for Terminal Illness. A full-time employee with two or more continuous years of service shall be entitled to apply for leave for terminal illness.

In order to receive leave for terminal illness, the eligible employee shall present to the Superintendent written documentation, signed by a licensed physician who is knowledgeable of the employee's condition or the condition of an immediate family member living in the employee's home (parent, child, spouse), stating that the employee's immediate family member currently suffers from a terminal illness.

Upon receipt of documentation seeking a leave for terminal illness, the superintendent shall determine whether or not the employee is entitled to the leave pursuant to this policy. The superintendent is authorized to grant such leave without further action of the Board.

Leave for terminal illness for a period of up to 30 days shall be granted only once to an employee, and shall be granted only after all paid state, local, and personal leave has been exhausted. While on leave for terminal illness, the employee shall draw full salary.

Sick Leave Bank (or Pool)

All full-time employees are eligible to request leave contributions from other employees to form a sick leave pool for a personal extended illness or extended illness in the family. A sick leave pool may be established only after all state and local leave is exhausted. Only local personal days may be donated to a sick leave pool. Donated days are given to a specific individual.

The definition of family for sick leave pool purposes is the same as family for state and local leave purposes:

1. Spouse
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or another individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.

Application for a sick leave pool must be done in writing on the appropriate form. This form should be submitted to the campus principal or supervisor. A statement from the attending physician verifying the medical condition and anticipated date of return to work must be included. The request will be forwarded to the sick leave pool committee. The committee will determine if the request is granted or denied. If the request is granted, district staff will be asked to voluntarily donate days. Donated days not used will be returned to contributors on a prorated basis. Any prorating of days will be done in no less than half day increments. Any remaining increments that are not returned to contributors will be held.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor’s Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take up to 12 weeks of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness may take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in one block of time. When it is medically necessary or otherwise permitted, you may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is not paid leave, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer’s paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an eligible employee if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different “hours of service” requirements.

You work for a covered employer if one of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, to request FMLA leave you *must*:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave?

Where can I find more information?

Call 1-866-487-9243 or visit dol.gov/fmla to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court.

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period from July 1 through June 30

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA(LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a

continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact the Human Resources Specialist for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Human Resources Department should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee

choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage. [See Policy DEC local] Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable. The District shall not permit the option for paid leave offset in conjunction with workers' compensation income benefits. [See CRE Legal]

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to the employee's Supervisor.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can

be qualified to perform the required duties. Employees returning to work following military leave should contact the Superintendent. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the business office at 512-430-6000 for details on eligibility, requirements, and limitations.

Mental Health Leave for Peace Officers and Licensed Telecommunicators

A full-time district employed licensed police officer who regularly serves in a law enforcement capacity in a district police department is entitled to a paid leave of absence (LOA) for an illness or injury related to the person's line of duty. If necessary, the leave shall continue for at least one year.

If unable to return to work at the end of the paid leave and any extension, a police officer may use accumulated sick, vacation, and other accrued leave before being placed on unpaid temporary leave. At the end of temporary leave, the police officer will be reinstated at the same rank and with the same seniority the person had before going on temporary leave.

Payment for Accumulated Leave Upon Separation

The following leave provisions shall apply to state and local leave accumulated beginning on the original effective date of this program.

An employee who retires from the District shall be eligible for payment for accumulated state and local leave under the following conditions:

1. The employee's retirement is voluntary, i.e., the employee is not being discharged, non-renewed or has resigned in lieu of non-renewal or termination.
2. The employee provides documentation of retirement through the Texas Teacher Retirement System (TRS).
3. The employee has at least ten years of service with the District. The employee shall receive payment for each day of accumulated state and local leave, to a maximum of 20 days, at the employee's daily rate of pay immediately preceding retirement. If the employee is reemployed with the District, days for which the employee received payment shall not be available to that employee. The rate established by the Board shall be in effect until the Board adopts a new rate. Any changes to the rate shall apply beginning with the school year following the adoption of the rate change.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include:

Recognition of Service—Personnel. All personnel employed by the District shall be awarded for their service in five (5) year increments of local service. This service shall be determined by TEA service regulations.

Shared service personnel not employed full-time with RISD shall receive recognition through the Burleson-Milam Shared Services Arrangement.

An Employee Recognition and Retirement Reception is held during Teacher Appreciation Week.

District Communications

Throughout the school year, the Rockdale ISD publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. These publications are available on the district website at www.rockdaleisd.net, as well as in hard copy on the individual campuses.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

Personnel Management Relations: Employee Complaints/Grievances *Policy DGBA (Local)*

Complaints

In this policy, the terms "complaint" and "grievance" shall have the same meaning.

Other Complaint Processes

Employee complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with DGBA after the relevant complaint process:

1. Complaints alleging discrimination, including violations of Title IX (gender), Title VII (sex, race, color, religion, national origin), ADEA (age), or Section 504 (disability), shall be submitted in accordance with DIA.
2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violation of Title VII, shall be submitted in accordance with DIA.
3. Complaints concerning retaliation relating to discrimination and harassment shall be submitted in accordance with DIA.
4. Complaints concerning instructional resources shall be submitted in accordance with EF.
5. Complaints concerning a commissioned peace officer who is an employee of the district shall be submitted in accordance with CKE.
6. Complaints concerning the proposed nonrenewal of a term contract issued under Chapter 21 of the Education Code shall be submitted in accordance with DFBB.

7. Complaints concerning the proposed termination or suspension without pay of an employee on a probationary, term, or continuing contract issued under Chapter 21 of the Education Code during the contract term shall be submitted in accordance with DFAA, DFBA, or DFCA.

Notice to Employees

The District shall inform employees of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages employees to discuss their concerns with their supervisor, principal, or other appropriate administrator who has the authority to address the concerns.

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Direct Communication with Board Members

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

Formal Process

An employee may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

Whistleblower Complaints

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Timelines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

Complaints Against Supervisors

Complaints alleging a violation of law by a supervisor may be made to the Superintendent or designee. Complaint forms alleging a violation of law by the Superintendent may be submitted directly to the Board or designee.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including e-mail and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the employee fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the employee's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee's e-mail address of record, or sent by U.S. Mail to the employee's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

“Representative” shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.

The employee may designate a representative through written notice to the District at any level of this process. The representative may participate in person or by telephone conference call. If the employee designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District’s counsel. The District may be represented by counsel at any level of the process.

Consolidating Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refile is within the designated time for filing.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the conference. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.

4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio re-cording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Employee Conduct and Welfare

Standards of Conduct

Policy DH

All employees are expected to work together in a cooperative spirit to serve the best interests of the district and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- Recognize and respect the rights of students, parents, other employees, and members of the community.
- Maintain confidentiality in all matters relating to students and coworkers.
- Report to work according to the assigned schedule.

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

Employee Welfare: Freedom from Discrimination, Harassment, and Retaliation

Policy DIA (Local)

Note: This policy addresses discrimination, harassment and retaliation involving District employees. In this policy, the term "employees" includes former employees and applicants for employment and unpaid interns. For discrimination, harassment, and retaliation involving students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.

Statement of Nondiscrimination

The District prohibits discrimination, including harassment, against any employee on the basis of race, color, religion, sex, gender, national origin, age disability, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of District policy.

Discrimination

Discrimination against an employee is defined as conduct directed at an employee on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the employee's employment.

Prohibited Harassment

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee's race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee's work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's performance, environment, or employment opportunities.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other stereotypes; or other types of aggressive conduct such as theft or damage to property.

Sexual Harassment

Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

Examples

Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

Reporting Procedures

An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal.

Alternatively, the employee may report the alleged acts to one of the District officials below.

Definition of District Officials

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

An employee shall not be required to report prohibited conduct to the person alleged to have committed it. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

Notice of Report

Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

Any District employee who receives a report of prohibited conduct based on sex, including sexual harassment, shall immediately notify the Title IX Coordinator.

Investigation of Reports Other Than Title IX

The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX [See FFH(Legal)]. For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, see the procedures below at Response to Sexual Harassment – Title IX.

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

Interim Action

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

District Investigation

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Concluding the Investigation

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary, to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

District Action

If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(Local), beginning at the appropriate level.

The complainant may have a right to file a complaint with the appropriate state or federal agencies.

Response to Sexual Harassment—Title IX

General Response

When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and administrative procedures.

Title IX Formal Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or otherwise participates or refuses to participate in an investigation.

Examples

Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, intimidation, coercion, unjustified negative evaluations, unjustified negative references, or increased surveillance.

Records Retention

Copies of reports alleging prohibited conduct, investigation reports, and related records shall be maintained by the District for a period of at least three years. [See CPC]

Access to Policy

This policy shall be distributed annually to District employees. Copies of the policy shall be readily available at each campus and the District administrative offices

Harassment of Students

Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred child abuse must also report

his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse and Bullying* for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

Solicitation of a Romantic Relationship

Policy DHB (Legal)

"Solicitation of a romantic relationship" means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;
 - e. The extent that the educator attempts to conceal the communications;
 - f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and
 - g. Any other evidence tending to show the context of the communications between educator and student.
2. Making inappropriate comments about a student's body, creating, or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.
3. Making sexually demeaning comments to a student.
4. Making comments about a student's potential sexual performance.
5. Requesting details of a student's sexual history.
6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.
7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.
8. Inappropriate hugging, kissing, or excessive touching.

9. Providing the student with drugs or alcohol.
10. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.
11. Any other acts tending to show that the educator solicited a romantic relationship with the student.

19 TAC 249.3(50)

A superintendent shall notify SBEC of any educator misconduct that the superintendent believes in good faith may be subject to sanctions by SBEC. *19 TAC 249.14(d)*

Policy FFH (Local)

Note: This policy addresses discrimination, harassment, and retaliation involving District students. For provisions regarding discrimination, harassment, and retaliation involving District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Statement of Nondiscrimination

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Discrimination

Prohibited Harassment

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment.
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexual Harassment

By an Employee

2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment.
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment.
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating Violence

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment.
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action.

Prohibited Conduct

ADA/Section 504 Coordinator

Reports of discrimination based on disability may be directed to the ADA/Section 504 coordinator. The District designates the following person to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expand upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended:

Name: Tiffany Whitsel
Position: Assistant Superintendent
Address: 520 West Davilla Street, Rockdale, TX 76567
Telephone: 512 430-6000

Superintendent

The Superintendent shall serve as coordinator for purposes of District compliance with all other antidiscrimination laws.

Alternative Reporting Procedures

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

Notice to Parents

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.

Investigation of the Report

The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at CRIMINAL INVESTIGATION.

If the District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

District Investigation

The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Criminal Investigation

If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.

Concluding the Investigation

Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed

within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.

Notification of Outcome

Notification of the outcome of the investigation shall be provided to both parties in compliance with FERPA.

District Action

Prohibited Conduct

If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary in accordance with the Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.

Corrective Action

Examples of corrective action may include a training program for those involved in the complaint, a comprehensive education program for the school community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination and harassment.

Bullying

If the results of an investigation indicate that bullying occurred, as defined by FFI, the District official shall refer to FFI for appropriate notice to parents and District action. The District official shall refer to FDB for transfer provisions.

Improper Conduct

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Response to Title IX Sexual Harassment

General Response

When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed or dismissed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct. The Title IX coordinator also reserves the right to sign a formal complaint, initiating the Title IX grievance process, if it would be deliberately indifferent not to investigate and respond to the prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;

6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX. In the absence of a formal complaint, allegations of retaliation shall be investigated under Investigation of Reports Other Than Title IX, above.

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

Access to Policy and Procedures

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be

posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices.

FFH (Regulation)

Note: For provisions regarding bullying, see FFI. Note that FFH should be used in conjunction with FFI for certain alleged conduct.

Please see the student handbook for further information and resources on child sexual abuse, including awareness, prevention, and appropriate action.

Initial Assessment

The following guidelines apply when addressing any student complaint of discrimination, harassment, or retaliation committed by an employee or another adult associated with the District or a complaint of student-to-student harassment or dating violence when the allegations presented, if proven, would constitute prohibited conduct as defined by District policy at FFH.

In the event that the allegations, if proven, would not constitute prohibited conduct as defined by District policy at FFH, the Superintendent or designee may then need to refer to policies and procedures at FFI, regarding bullying, or the Student Code of Conduct for other improper conduct.

Investigative Procedures

General Considerations

The investigator must maintain confidentiality to the extent possible and as allowed by law and must advise the complainant that limited disclosure may be necessary to complete a thorough investigation. Records of the investigation must be maintained in accordance with FB(LOCAL).

If possible, when investigating allegations of discrimination and/or gender-based harassment, the investigator should be the same sex as the student. During the investigative process, the student should be permitted to be accompanied by a parent, friend, or advisor.

In the course of the investigation, the investigator may also need to determine whether the allegations, if proven, would constitute bullying as defined by District policy. If the allegations would constitute bullying, the investigator will need to make a determination about the bullying incident in accordance with policies and procedures at FFI.

Guidelines

In conducting the investigation, the investigator will:

1. Take immediate action to protect the student from the alleged situation.

2. Notify parents of the allegations, explain to them the purpose of the investigation, and keep them apprised during the process.
3. Assure complainant of protection from retaliation.
4. Advise complainant that the District does not tolerate discrimination, harassment, dating violence, or retaliation and help the complainant feel secure about presenting allegations of wrongdoing.
5. Notify Child Protective Services of the Department of Family and Protective Services or local law enforcement within 48 hours if there is cause to believe the student has been sexually abused or neglected or has been a victim of indecency with a child.
6. If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation and proceed only to the extent that the District's investigation does not impede the ongoing agency investigation. After the law enforcement or regulatory agency has completed gathering its evidence, the District will promptly resume its investigation.
7. Reduce all complaints to writing. If the student refuses to make or sign a written complaint, the administrator will carefully document the allegations in writing and record the date and circumstances of the interview.
8. Take a sworn statement if at all possible.
9. Secure any physical evidence.
10. Interview the complainant first, proceeding chronologically through the allegations.
11. Interview the alleged victim if that person is not also the complainant. Assure the alleged victim of protection from retaliation.
12. Interview any witnesses.
13. Maintain detailed notes of all interviews. Notes will be read to witnesses to verify details and to ensure accuracy. Record facts, not conclusions. In addition, the interviewer may audio-record the interview.
14. Develop a summary of interview notes, which should be signed by witnesses to verify the accuracy of their statements. If a witness declines to sign the summary or to allow the use of his or her name, the interviewer will note that restriction and retain the unsigned document.
15. Interview the alleged harasser and take a written or sworn statement, if possible. The alleged harasser will be presented with each allegation and provided an opportunity to respond.
16. Advise the alleged harasser that retaliation against the victim, the complainant, or any witnesses is strictly prohibited by District policy.
17. Not concede the truth or falsehood of the allegations during the course of the investigation.
18. Not divulge information regarding the identity of the victim or alleged perpetrator unnecessarily when interviewing other witnesses.
19. Document all efforts made to investigate the alleged harassment.

20. Prepare a written report of the investigation.

Investigation Report

The Superintendent or designee will communicate the results of the investigation to the alleged victim, the alleged victim's parents, the alleged harasser, and the alleged harasser's parents, in accordance with the Family Educational Rights and Privacy Act (FERPA).

The investigation report should include any determinations made by the investigator regarding prohibited conduct and bullying and the actions to be taken in response to such determinations.

Dismissal of Complaint

If upon completion of the investigation, the investigator determines that dismissal of the complaint is warranted, he or she will follow up with the alleged victim, the alleged harasser, the complainant, and the witnesses, if possible, to ensure that behavior giving rise to the allegations does not recur.

The investigator will advise the alleged victim and his or her parents, the harasser, and the complainant of their right to appeal the investigator's decision through the student complaint process at FNG(LOCAL), beginning at Level Two, as well as notify them of their right to file a complaint with the United States Department of Education Office for Civil Rights.

Disciplinary Action

Against an Employee

If, upon completion of the investigation, the investigator determines that disciplinary action against an employee is warranted, the investigator will notify the principal and the Superintendent.

The District must notify SBEC if an educator's employment is terminated or if the educator resigns, and reasonable evidence supports a recommendation to terminate based on a determination that the educator engaged in certain criminal misconduct. [See DF]

Against a Student

If upon completion of the investigation the investigator determines that disciplinary action against a student is warranted, the investigator will proceed with the appropriate course of action, in accordance with the District's Student Code of Conduct.

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made Online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at www.rockdaleisd.net. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district’s scope and sequence.

The district may take appropriate action if a teacher does not follow the district’s scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ

The district’s technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and/or legal action. Employees with questions about computer use and data management can contact Technology at 512-430-6015.

Personal Use of Electronic Communications

Policy CQ, DH

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, mealtimes, and before and

after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.

- The employee shall not use the district’s logo or other copyrighted material of the district without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee’s immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records. [See Policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH(EXHIBIT)]
 - Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
 - Copyright law [See Policy CY]
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH(EXHIBIT)]

See *Electronic Communications between Employees, Students, and Parents*, below, for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students, and Parents

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled

in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
 - The employee shall include at least one of the student’s parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page (“professional page”) for the purpose of communicating with students. The employee must enable administration and parents to access the employee’s professional page.
- The employee shall not communicate directly with any student between the hours of 12:00 a.m. and 6:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy CY]

- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.
- An employee shall notify his or supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

Public Information on Private Devices

Policy DH, GB

Employees should not maintain district information on privately owned devices. Any district information must be forwarded or transferred to the district to be preserved. The district will take reasonable efforts to obtain public information in compliance with the Public Information Act. Reasonable efforts may include:

- Verbal or written directive
- Remote access to district-owned devices and services

Criminal History Background Checks

Policy DBAA

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

Misconduct or allegations of misconduct include:

- Abuse or unlawful act with a student or minor, or
- Involvement in a romantic relationship with or solicited or engaged in sexual contact with a student or minor

Alcohol and Drug-Abuse Prevention

Policy DH

Rockdale ISD is committed to maintaining an alcohol- and drug-free environment and will not tolerate the use of alcohol and illegal drugs in the workplace and at school-related or school-sanctioned activities on or off school property. Employees who use or are under the influence of alcohol or illegal drugs as defined by the Texas Controlled Substances Act during working hours may be dismissed. The district’s policy regarding employee drug use follows:

An employee shall not manufacture, distribute, dispense, possess, use, or be under the influence of any of the following substances during working hours while at school or at school-related activities during or outside of usual working hours:

1. Any controlled substance or dangerous drug as defined by law, including but not limited to marijuana, any narcotic drug, hallucinogen, stimulant, depressant, amphetamine, or barbiturate.
2. Alcohol or any alcoholic beverage.
3. Any abusable glue, aerosol paint, or any other chemical substance for inhalation.
4. Any other intoxicant, or mood-changing, mind-altering, or behavior-altering drug.

An employee need not be legally intoxicated to be considered “under the influence” of a controlled substance.

Drug-Free Awareness Program

The District shall maintain a drug-free environment and shall establish, as needed, a drug-free awareness program complying with federal requirements. [See DH] The program shall provide applicable information to employees in the following areas:

1. The dangers of drug use and abuse in the workplace.
2. The District's policy of maintaining a drug-free environment. [See DH (Local)]
3. Drug counseling, rehabilitation, and employee assistance programs that are available in the community, if any.

All fees or charges associated with drug/alcohol abuse counseling or rehabilitation shall be the responsibility of the employee.

Drug-Free Workplace Notice

The District prohibits the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, and alcohol in the workplace.

Employees who violate this prohibition shall be subject to disciplinary sanctions. Sanctions may include:

- Referral to drug and alcohol counseling or rehabilitation programs;
- Referral to employee assistance programs;
- Termination from employment with the District; and
- Referral to appropriate law enforcement officials for prosecution.

As a condition of employment, an employee shall:

- Abide by the terms of this notice; and

- Any other obligation or relationship
- Non-school employment

Employees should contact their supervisor for additional information.

Gifts and Favors

Policy DBD

Employees may not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. The acceptance of a gift, favor, or service by an administrator or teacher that might reasonably tend to influence the selection of textbooks, electronic textbooks, instructional materials or technological equipment may result in prosecution of a Class B misdemeanor offense. This does not include staff development, teacher training, or instructional materials such as maps or worksheets that convey information to students or contribute to the learning process.

Copyrighted Materials

Policy CY

Employees are expected to comply with the provisions of federal copyright law relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data and programs, etc.). Electronic media, including motion pictures and other audiovisual works, are to be used in the classroom for instructional purposes only. Duplication or backup of computer programs and data must be made within the provisions of the purchase agreement.

Under the "Face-to-Face Teaching Exemption", copyrighted movies may be shown in a K-12 school setting without copyright permission only if all criteria are met:

- A teacher or instructor is present, engaged in face-to-face teaching activities.
- The institution must be an accredited, nonprofit educational institution.
- The showing takes place in a classroom setting with only enrolled students in attendance.
- The movie is used as an essential part of the core, required curriculum being taught. (The instructor should be able to show how the use of the motion picture contributes to the overall required course study and syllabus.)
- The movie being used is a legitimate copy, not recorded from a legitimate copy or recorded from TV.

This means the "Face-to-Face Teaching Exemption" does not apply outside the nonprofit, in-person, classroom teaching environment. It doesn't apply to movies shown online – even if they're part of course-related activities and websites. It also doesn't apply to interactions that are not in-person – even simultaneous distance learning interactions. It doesn't apply at for-profit educational institutions.

For specific requirements, please reference The Copyright Act of 1976, Public Law No. 94-553, 90stat 2541: Title 17; Section 110(i).

An individual's employment will not be affected by membership or a decision not to be a member of any employee organization that exists for the purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work. Use of district resources including work time for political activities is prohibited.

The district encourages personal participation in the political process, including voting. Employees who need to be absent from work to vote during the early voting period or on Election Day must communicate with their immediate supervisor prior to the absence.

Employees cannot be required to attend a meeting called for the purpose of soliciting charitable contributions. In addition, the Board or any employee may not directly or indirectly require or coerce an employee to refrain from making a contribution to a charitable organization or in response to a fundraiser or attending a meeting called for the purpose of soliciting charitable contributions.

Employees will exercise care and sound judgment on whether to use hands-free technology while the vehicle is in motion.

Employees with questions or concerns relating to safety programs and issues can contact the Chief Financial Officer at 512-430-6000.

Asbestos Management Plan

Policy CKA

The district is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each school. A copy of the district's management plan is kept in the Maintenance Director's office and is available for inspection during normal business hours.

Policies CLB, DI

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program.

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located near the front entrance. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written, or electric means. Pest control information sheets are available from campus principals or facility managers upon request.

Policy DFE, DHB

Contract Employees. Contract employees may resign their position without penalty at the end of any school year if written notice is received at least 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the superintendent. Supervisors who have not been designated by the board to accept resignations shall instruct the employee to submit the resignation to the superintendent or other person designated by board action.

Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency*. The superintendent will notify SBEC when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

Noncontract Employees. Noncontract employees may resign their position at any time. A written notice of resignation should be submitted to the superintendent at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or of knowing about an employee's resignation or termination following an alleged incident of misconduct described above.

Dismissal or Nonrenewal of Contract Employees

Policies DF Series, DHB

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be nonrenewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a

suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in Reports to Texas Education Agency. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are provided to employees or are available Online.

Dismissal of Noncontract Employees

Policies DCD, DP

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, sex, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*)

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. Exit Interviews and Procedures

Exit interviews will be scheduled for all employees leaving the district. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience. All district keys, books, property, including intellectual property, and equipment must be returned upon separation from employment.

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Policy FFAC, FFAF

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the administration of medication for respiratory distress, medication for anaphylaxis (e.g., EpiPen®), opioid antagonists, and medication for diabetes management, if the medication is administered in accordance with district policy and procedures.
