Recommendations (2)

Purpose and Goals

Deliverables

Memorandum of Understanding Subcommittee

Assist ACPS in completing a comprehensive review of the current Memorandum of Understanding between ACPS and APD to then make recommendations that will serve to promote an equitable, welcoming and safe learning environment for ACPS students

- Analyze the existing MOU to gain a better understanding
- Review other division MOUs
- Provide recommendations of other sections to be included in the MOU, language that needs to be changed, or areas to be omitted.

Research Subcommittee

Complete research of other nationwide school law enforcement partnerships in an effort to determine best practices and innovation as it relates to SLEP partnerships.

- Provide recommendations on how the administration and operation of the school law enforcement program could improve to meet both stakeholder and safety needs.
- Provide recommendations on how to increase the depth and breadth of community involvement and engagement

Communication and Community Outreach Subcommittee

Develop a line of communication with students, staff and community that will promote awareness and education of the ACPS/APD partnership.

- Recommend ways to improve communication of the school law enforcement program externally with community members, internally within ACPS, and jointly between APD and ACPS.
- Guide survey + focus groups of staff, students, community members and parents.

ACPS 2025 Strategic Plan **Equity For All**

Alexandria City Public Schools has pledged to provide an equitable, high quality education which is accessible and engaging to all students in a five-year strategic plan approved by the Alexandria City School Board on June 26, 2020.

The plan's **mission** is to ensure success by inspiring students and addressing barriers to learning.

The plan's **vision** is: Empowering all students to thrive in a diverse and ever-changing world.

ACPS 2025 Strategic Plan **Equity For All**

The ACPS learning community strives to live these core values

Welcoming

**Equity-
Focused**

Empowering

Innovative

**Results-
Driven**

Topics for Discussion

1. What information do we need to understand the current experience and needs of students?
2. Are there traditionally marginalized voices or subpopulations of students that you are particularly interested in learning from?
3. What might be needed to support and activate students' voices?

Roles: Facilitator, Recorder, Reporter, Timekeeper, Innovator
