Visit [vcs.net/npo](https://vcs.net/npo) for more information about each program.

## AMSE Program (Applied Math, Science & Engineering)

Valley Christian Schools' STEM program, the Applied Math, Science, and Engineering (AMSE) Institute, provides K-12 students with a pipeline of inspiration, instruction, and experiences to fuel their passion for knowledge. With outstanding faculty, world-class facilities, and one-of-a-kind opportunities, AMSE strives to live out its mission to prepare the next generation of Christian STEM innovators.

## BEI Program (Business and Entrepreneurship Initiative)

Our students are world changers, and with the Business and Entrepreneurship Initiative (BEI), students will have resources and training to innovate as principled business leaders. With BEI, students learn core business concepts in school-day courses and also apply what they learn through several dynamic business programs.

## Conservatory of the Arts Program

The Conservatory of the Arts provides students with the resources and training to discover their passion and develop their talents in every form of creative expression. The Conservatory guides students in transforming into the artist they want to be, and the person God created them to become.

## Athletics Program

The goal of the Athletic Department is to assist the transformation of each student through the process of athletic preparation. Our dedicated staff teach life lessons through disciplined training at the highest level of competition. At Valley Christian Schools, everyone can be an athlete.
