

USEFUL INFORMATION FOR EXCHANGE VISITOR PROGRAM PARTICIPANTS: TEACHERS (J1 VISA)

Purpose of the Exchange Visitor Program

The J-1 teacher program promotes the interchange of U.S. and foreign teachers and enhances mutual understanding between the people of the United States and other countries. Exchange teachers sharpen their professional skills and participate in cross-cultural activities in schools and communities, and they return home after the exchange to share their experiences and increased knowledge of the United States and the U.S. educational system. This exchange enables foreign teachers to understand better U.S. culture, society and teaching practices at the primary and secondary levels, and enhance U.S. students' knowledge of foreign cultures, customs and teaching approaches.

Home Country Physical Presence Requirement

In some cases, J-1 exchange visitors are subject to a "two-year home-country physical presence requirement". Unless this requirement is waived by the US and Home country governments, a J-1 exchange visitor subject to this requirement would be required to complete the requirement by returning to their home country and remaining for 2 years before they could obtain certain statuses in the US. More information on this requirement can be found at:

<https://travel.state.gov/content/travel/en/us-visas/study/exchange.html>.

FAQ's

How long will I be eligible to teach on a J-1 visa?

The School issues form DS-2019 for up to three years. Exchange teachers will be issued a contract for the dates of their exchange program. Exchange Visitor Teachers are typically approved for a three-year exchange program, and J-1 regulations allow the school to employ the teachers for up to three years initially. Extensions of one or two additional years may be available.

Can I extend my program?

Exchange Visitor Teachers are eligible to apply for an extension of one or two years, but not by a semester or by other fractions of academic years. A teacher should inform the School of the desire for an extension, and Fragomen Worldwide will apply for an extension on behalf of the School. Applications for extensions should be made no later than four months prior to the beginning of the desired extension period. Extensions must be approved by the Department of State.

I received my visa. When can I arrive in the United States?

Exchange Visitors are permitted entry into the United States no more than 30 days before the start date on form DS-2019.

What do I need to do after I enter the US?

The J-1 Sponsor and host school will be in contact with you regularly around your arrival date to coordinate your first few days in the US and your J-1 teacher program orientation. Upon entry into the United States, please provide copies of each visitor's visa, DS 2019, admission stamp, and printed I 94 record. In order to activate your status in the government database, SEVIS, we will also need your U.S. residential address and phone number. You will only be able to apply for benefits such as a social security card and driver's license after your status has been activated in SEVIS.

Lycee Rochambeau Inc. can only sponsor Exchange Visitor Teachers to work at Rochambeau, The French International School of Washington, DC. We are unable to sponsor teachers to work at any other schools in the United States.

Will Rochambeau help me change my status in the United States?

Rochambeau cannot help applicants change their status. The J-1 program is a temporary exchange and exchange visitors should intent to leave the US at the completion of their exchange program. If circumstances change and an exchange visitor in the US wishes to change status, it is recommended that applicants who are in the United States and are eligible to change their status contact an immigration attorney to inquire about a change of status.

Exchange Visitor Teachers are only authorized to perform the work described on their Form DS-2019. Teachers are ineligible to perform any other work for pay and cannot legally earn a wage at any other organization.

How long can I stay in the United States once my program has finished?

During this 30-day period, which is often referred to as the "Grace Period," you are under the jurisdiction of the USCIS and are no longer entitled to teach at Lycee Rochambeau. USCIS grants this period to allow time to prepare for your return to your home country. You may travel inside the United States during this time, but you may not travel abroad and then re-enter in J-1 status during your grace period.
