

To **ALL** incoming freshmen (College and Honors) please note there is an extra credit option available, in order to help you start the year off on the right foot!

Extra Credit: (Everyone) DUE: Wednesday September 8, 2021

This is an option available for **any and all** of my students next year. **Honors students you are welcome to count your assigned reading for this too!** The Mahoning County Library has a phenomenal summer reading program!

<https://www.libraryvisit.org/summer-discovery/>

Here you can sign up and actually get started (now)! Their program runs from June 1st-July 31st.

What you need to do is create a login and log. [PS graphic novels and audiobooks do count! Don't let anyone tell you otherwise.]

* I believe you have other great community options, **but I'm only looking for books.** Upon registering with the library you get their goodie program:

- **15 points** – Vinyl sticker or window cling
- **30 points** – Library tote bag
- **45 points** – Select a free book from our summer finisher list! You'll also earn an invitation to our end-of-summer celebration.
- **More than 45 points?** You'll be entered into our summer-end raffle for more prizes!

As for my class, **you get one extra credit point for every book you read and review, up to ten books (so up to ten points).** So not only do you get a free book from the library, you get ten bonus points from me! **Be sure you print your reading history by July 31st.** I'm unsure if the program locks out once the Summer Reading Challenge is complete, so don't wait until the school year to print this! **If you don't have the documentation, you will not receive any points.**
