

Mammograms and COVID-19 Precautions

What you should know:

- Annual screenings are recommended for women beginning at age 40.
- UT Southwestern Medical Center accepts most major insurance plans. Please check with your health insurance provider to see if UT Southwestern is in network.
- The UTSW Mobile Mammography Unit is designed for routine screenings. If you have any breast problems, please consult your physician.
- Patients must wear a mask.
- Each patient will wait in the Mobile Mammography Unit's dressing room until called by the technologist.
- All patient care areas will be sanitized between patients.
- It's recommended to wait 4-6 weeks after your COVID-19 vaccination for your mammogram screening.
- Please call 214-645-2560 or 866-277-0710 to schedule your appointment.
