## NEW! Project Welding

Have you ever said, “I wish I could make that,” or “If I had the right stuff I could do that”? Now you can because Ulster BOCES is offering a Project-Based Welding class! You must have prior welding experience and possess the basic welding safety gear and welding hand tools in order to attend. The class will start on a Thursday night, and will cover safety protocol and your skill level will be assessed. Then, there will be a full day on the following Saturday to make something fun and exciting to take home. Our projects include, but are not limited to, wine

racks, small fire pits, and decorative shelf hangers. Impress your friends when you say, “I made that!” Classes begin in September, so come join us.

**Pre-Requisite: Proof of a completed welding course or work in the welding field.**
